The Faysselle holiday cottages are set in 12 acres of beautiful, peaceful countryside, surrounded by fields and woodland and mature gardens. Just one hour south of the better known Dordogne region, this is a beautiful area of gently rolling hills, farmed with fruit trees, arable crops and (summer) sunflowers.

Mother and son team Judy and Will welcome you to a week of total relaxation, accompanied with local produce food and wine.

Under the guidance of guest tutors Songul and Gabrielle we look forward to hosting a week designed to further your paintings skills in various stunning locations while providing a daily program of Yoga designed to help you find your inner peace on a delightful relaxing holiday.

Faysselle have nearly 20 years of holiday making experience and excellent reviews on Trip Advisor.
