

Our Organization

While the African Descent Lutheran Association identifies with a specific ethnic group and denomination, we love all people of God and welcome sharing in God's work.

AFRICAN DESCENT LUTHERAN ASSOCIATION

African Descent
Lutheran Association
607 Glen Lane
West Norriton PA 19403

Who We Are

The term "African Descent" refers to people who self-identify as Black, African Caribbean, African American, African Nationals and others of African ancestry from numerous countries who now live in the United States. A network of African descent as active participants in the ELCA across the United States, Puerto Rico and the U.S. Virgin Islands.

What We Do

The association develops important connections, advocates for congregations, promotes implementation of the National African Descent Strategy, and provides fellowship, learning and sharing opportunities. It also provides a forum for theological reflection for clergy and lay members through collaboration with other African Descent organizations and networks.

As people of African descent, it is the gospel of Jesus Christ that gives us the faith and freedom to join with all of our sisters and brothers to boldly participate in God's work of restoring and reconciling communities in the name of Jesus Christ throughout the world.

Bi-Annual Meetings

Every two years we gather together Praise, worship, and getting into the work of our organization. We meet to uplift each other in advocacy, ministry, and fun. Our national meeting is the foundation of setting policy, exploring new resources for leadership, development, congregation vitality, social justice, and laying the foundation for the future.

"We have a good time in the Lord"

Ecumenical Partnerships

Growth in Christ and community
The association has collaborated with our ecumenical faith partners to serve our communities and meet together as people of faith and African Descent. Together we can create foundation to build stronger communities. Together we multiply our voices and resources for the advancement of all God's people.

CURRENT OBJECTIVES

Deepening interpersonal relationships within the African Diaspora;

Increasing Domestic and Global missional Leaders in congregations within the ELCA and African Descent communities.

Expanding relationships with ecumenical partners, and historical African Descent churches.

Uplifting and Advocating about African Descent Public Health Issues.

" Rev. Lamont Anthony Wells, President"
