

## Helping you have the treatment you want.

Finance4patients provides a simple and affordable way for the total costs of dental treatment whether it be medical or cosmetic. Paid by an interest free loan with repayments commencing 1 month after the treatment has started.

### The Benefits to You

- You can have the treatment right now – putting off dentistry may result in it becoming more extensive, invasive and expensive.
- You can spread the cost of the treatment over a suitable period.
- Interest-free and low cost monthly options can be a much more affordable alternative to credit cards or bank loans.
- It's easy to set up repayments by Direct Debit.
- All Finance options are provided by leading credit suppliers and are subject to status.
- Repayments start one month after the agreement has been accepted. The application is completed online in privacy, a decision given within seconds and the agreement signed online using e-signature, all in just a few minutes.

## How it works

- Once you have discussed your treatment with your dentist and agreed the cost, and filled in one of our forms, the finance 4 patients application will be sent to your email address which will allow you to apply online, in the comfort of your home.
- Simply complete your details online and submit for approval, 10 – 15 seconds later, you will receive a decision.
- When the loan is approved, simply sign the credit agreement online using e-signature, and confirm your ID using your Credit or Debit card.
- The whole process is totally web based to make getting the treatment you want easier, faster and more affordable.
