

PRINCE WILLIAM AREA FREE CLINIC

13900 Church Hill Drive
Woodbridge, VA 22191
703-499-9034

Now Hiring: Medical Director

The Prince William Area Free Clinic (PWAFC) is a non-profit healthcare facility in Northern Virginia. There is an immediate opening for a motivated and mission-focused physician to serve as PWAFC's part-time Medical Director to work Monday through Thursdays at our Woodbridge location.

Job Duties:

- *Practice Liability:* The medical director provides oversight and direction to nurse practitioners, physician's assistants, and nursing staff. This relationship must be confirmed with a written practice agreement between the medical director and aforementioned practitioners.
- *Administrative:* The medical director participates in administrative decision-making and recommends and approves policies and procedures. Helps identify structural gaps and inputs on clinical changes
- *Professional Services:* The medical director organizes and coordinates physician services and services provided by other medical professional as they relate to patient care through the implementation of standing orders
- *Quality Assurance:* The medical director participates in the process to ensure the appropriateness and quality of medical care and medically related care
- *Education:* The medical director participates in the development and conduct of clinical and patient education programs
- *Community:* The medical director helps articulate the medical mission to the community.
- *Social, Regulatory, Political, and Economic Factors:* The medical director acquires, maintains, and applies knowledge of social, regulatory, political, and economic factors that relate to patient care services
- *Person-Directed Care:* The medical director will support and promote person-directed care
- *Provider:* The medical director will provide primary medical care to clinic patients, lead clinics as necessary

Qualifications:

- Applicants must hold an active and unrestricted medical license and DEA to practice in the Commonwealth of Virginia
 - Board certification in family medicine or internal medicine is preferred.
