Rainberry Bay Master Homes and Villas will be holding their **ANNUAL MEETINGS & ELECTION OF BOARD MEMBERS** on Wednesday, March 6, 2019 in the Rainberry Theater. Election begins at 6:00 pm with the Annual Meeting following at 7:00 pm. **DEB PETERS** and her Committee have been hard at work searching for and interviewing potential candidates. Their task ended on January 16, 2019, Candidates Night.

Now your job begins. Bring your picture ID. Only one person per household may vote. If you have any questions about who you registered as the designated voter, call the office. They maintain the file of Certificates of Appointment. If you need to file a new one or yours needs to be updated, be certain to complete a new form with the office anytime in February.

The management office will be accepting absentee ballots via mail and drop-off until noon on Election Day. The ballot box remains in the office and remains locked until we open it to count the envelopes for quorums. The envelopes don't get opened until the election closes at 7:00 pm on March 6, 2019. Be certain that you sign **ONLY** the white, outside envelope. Unsigned envelopes will not be counted. Mark your outside envelope and your ballot clearly so there is no question who you voted for and only mark the number of candidates required. No write-ins are permitted.

This issue of the Beacon contains the resumes and important information about our candidates. Be sure to read them so we can vote intelligently. You will also find the resumes on the website, myrainberrybay.com. And please vote, either by absentee ballot (being mailed to you) or in person on election night. There is only one contest this year, for the Homes Association. Both Masters and Villas candidates will be confirmed at the Annual Meeting.

We need volunteers to register voters and count ballots. We had a great team last year (finished our counts in less than an hour). Looking forward to seeing a lot of you back. Just call or email me at 561.274.0868 or kr19wells@gmail.com if you want to help us out this year.

One of the marvelous things about community is that it enables us to welcome and help people in a way we couldn't as individuals. When we pool our strength and share the work and responsibility, we can welcome many people...¹

SPECIAL ALERT:

- ☑ There are recent reports of scams on seniors, including our neighbors in Hunter's Run. The residents received calls advising them of problems on their debit cards. Immediately after the phone calls, someone came to their door to pick up the bank cards. Money was then withdrawn from those accounts. Do NOT fall for these scams – the IRS, Social Security, or banks do not call with these types of issues. If you have questions call the numbers on your bank cards or the IRS/SSA directly to confirm the inquiries.

Masters Board Candidate

Lois Wiesler

1227 NW 23rd Lane

I have lived here for 12 years and have been involved in the community since I arrived. I post on Comcast Channel 93, the Rainberry Information Channel, send eblasts, have helped with the present and previous websites, handled the RB calendar, served as Chairperson of the block captains and this is my second year on the Master Board. I work with the Beacon as a proofreader and write the re-purpose column found most months inside the back cover. I am CERT trained and involved in the Hurricane committee. I have worked with the Green Committee and COPs. I was formerly on the Villas board both as treasurer and president and continue to work with the financial committee. I worked on Documents Committees and also Regulations.

What do I want to accomplish?

Communication is key and residents need to be informed in a timely fashion. The board continues to analyze what items are needed. Let's get the clubs, board, and the community working together.

What has this board accomplished? We are a team and together we have refurbished all the pools, added safety features to the bocce court and front entry with the pool gates next on the list. We now have contracts to care for our irrigation, surveillance cameras, new pest control, landscaping and irrigation companies, taken over the movie licensing contract, and put together an active archiving committee. In this community, approaching its 40th anniversary, there are more things left to get done.

I look forward to continue serving you on the board.

I am a new owner in Rainberry Bay since March of 2018. I was born and raised in Brooklyn, NY. I am one of 7 children, 4 boys and 3 girls. I am next to the youngest. My youngest sister is mentally challenged and I lived closest to my parents and helped out with my sister and parents until their passing.

I graduated from MRI school in NY in 2003. I am certified by a national certifying organization which is required to perform MRI in the United States. I have been in the field approximately 16 years. This is a very rewarding and changing field. I love working with people and take pride in making them feel safe and comfortable prior to their scan. I have also worked in the capacity as a manager. Although I have been working in the MRI field for 16 years, my work experience runs the gamut.

Another part of my work experience, is that I ran a reclamation yard for 10 years with approximately 20 employees under me.

For 5 years I worked for the NYPD as a PAA working for the commanding officer and the ICO officer. I was in charge of ordering all supplies for the command, and scheduling repairs and work orders. I had to secure highly sensitive documents and communication, as well disseminated new order and interim orders to the desk board, etc.

For approximately 3 to 4 years, I worked for a brokerage house, in the capacity of administration.

I volunteer for my certifying organization, and I am the manager of the Commission On Accreditation (COA). As COS I inspect MRI schools, I help plan and organize our yearly CME meetings.

I have always been involved in my community and wish to continue to do so. I am known for working well with others and achieving common goals. I feel my extensive and comprehensive work experience would make me a valuable asset to the board.

I hope that you will consider me for the board and look forward to working with all who reside in Rainberry Bay.

Villas Board Candidate

Cheryl “CC” Crutchfield

748 NW 29th Avenue, Unit A

Cheryl Crutchfield is a native of Brooklyn, New York and moved to Rainberry Bay in July of 2018. She graduated in 2013 Magna cum laude from Trident University with a Bachelor of Science in Business Administration.

Cheryl works for Covance which is in Raleigh, NC as a Clinical Training Associate. Cheryl educates and trains Doctors, Nurses and the medical community to pair them with Pharmaceutical companies such as Bayer, Eli Lilly and Proctor & Gamble to conduct Clinical Research studies. She has two grown children who reside in Charlotte, NC, and New York City and two precious grandchildren.

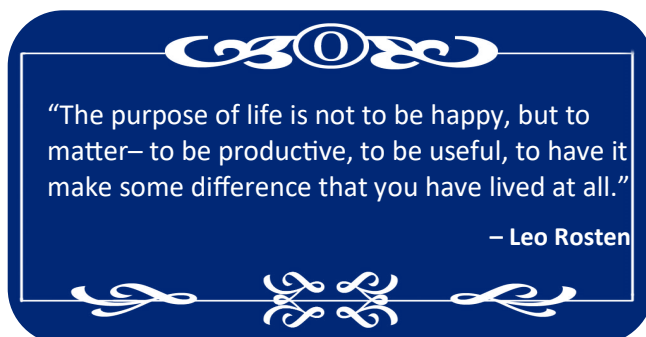

Cheryl's hobbies are roller skating, surfing and hang gliding. Cheryl loves to travel and collect shot glasses from each country she visits. Cheryl plans on going to Spain and Africa in 2019.

Cheryl would be a good candidate for the board because she has boundless energy and enthusiasm to stay the course. Cheryl will work with the Board to bring about positive changes and improvements to the Rainberry Bay Community.

In her career she is tasked with bridging the gap during discussions and finding communality at the root of an issue. Cheryl will tirelessly work through a problem and overcome obstacles by explaining matters in layman's terms to collectively reach an outcome that suits all parties involved.

Cheryl has experience cutting through the bureaucratic red tape when it comes to negotiations and understands that sometimes unpopular decisions need to be made for the greater good rather than personal gain.

Cheryl welcomes the opportunity to join the Rainberry Bay Board.

our book discussion group.

Won't you take some time from your routine and join us? Give yourself the gift of reading a great book and sharing your experience with others.

Our next book will be **Educated** by Tara Westover. Time and place: Thursday February 7th at 1:30PM in the Men's Card Room.

Yiddish Heritage Club

By Gloria Goldman

A special thanks to **CHANA ROSE & SARA TODD** for their singing at our December meeting. They were wonderful.

Our January meeting was very interesting. Gertrude Berg's story

(creator of character, Molly Goldberg) was enjoyed by everyone. Berg was a talented woman who wrote, acted, produced and directed the show and was the first woman comedian to receive an award.

Next month we will have a program about Leonard Cohen, the famous Canadian singer, author, and poet. Our own **BEVERLY COHEN** will present her program about this fabulous man. Beverly is the Regional Director of Volunteers For Israel in the Philadelphia Region. She is a super star in her own right and it will be a wonderful program that you do not want to miss. Mark your calendar for February 8 at 1 pm.

Thanks to our hostesses **CLAIRE MAZEN & SARA TODD**, to **MAXINE JAFFE** for her cake, to **ROSLYN BERGMAN & SHIRLEE ZAREMBA** for the goodies, to **PHYLLIS FISHBONE**, our greeter, and **DEBBIE SILVERSTEIN**, our Jewish events reporter and email expert.

The Yiddish conversation group will start to meet again on Tuesdays at 10:30 am in the Clubhouse. Everyone is welcome. Our club tries to keep the Jewish heritage alive with programs that we can all enjoy. We also try to support all efforts to stop antisemitism in our country. Please try to join us each month, your support is important. All are welcome.

Theatre Arts

By Glenn S & Sara Todd

By the time that you are reading this article, it will be time for everyone to attend the next entertaining meeting of Theatre Arts, on Tuesday night, Jan. 29, 2019 at 7:30 PM in the clubhouse. Refreshments including wine and cheese will be served.

We will be featuring **Les Dames**, a group of lovely ladies who sing songs, including some of which are humorous and clever. Some of these ladies are from our community and have performed in many of our Theatre Art Shows. They have also performed throughout Palm Beach County. They will have you singing and tapping your feet to the music. You definitely DO NOT want to miss this next one. There is no charge for members of Theatre Arts and only \$ 5.00 for guests.

On Tuesday March 26 at 7:30 PM, we will be having another night of SPECIAL ENTERTAINMENT for your listening pleasure. Watch for details on the Eblast, Raindrops and RIC. Flyers for that evening will be available in the clubhouse. But Jan 29th is first. Looking forward to seeing everyone there.

We "Love" Our Bocce

By Diane Maxey

Ask any of the 100+ members of the Rainberry Bay Bocce Club what they love about bocce and you'll hear:

- * *"The game is fun, easy to learn, a little competitive."*
- * *"The people are friendly, caring, like family."*
- * *"The exercise and fresh air are good for us."*
- * *"The atmosphere at the courts is welcoming, enjoyable."*
- * *"I love it all. Glad Rainberry offers it."*

Excitement was in the air as we celebrated a victory in our first game in the Palm Beach County Bocce League at home on January 8 against Baywinds Community. Two teams won four out of five games to post our first League win. We will be playing six communities this year in the Palm Beach area and hosting several home league games (Feb 12, 14, 26 and Mar 12). Come by and cheer on your Rainberry team. Games begin at 9:30 am.

In addition to our annual Member Pizza Party on February 26, club members get together throughout the year for fun activities. Check out the bulletin board at the Bocce Court for dates of events. We welcome all new players, both men and women. Membership dues are only \$10 a year. If you haven't joined for 2019, try a game during regular bocce times:

Regular play

Mornings – 9:00 am – Wednesday, Saturday, Sunday

Evenings – 6:00 pm – Monday and Thursday

League team members celebrated their first win of the season.

Funny Name, Great Game!

By Steve Bodner

Pickleball was invented in 1965 in Washington state. It was named after the "pickle boat" which was the last boat to come back to shore after the catch and was comprised of the crew members who were the last to be chosen to work that day. Two years later, the inventor's dog was named Pickles, after the game was named.

Pickleball is a paddle sport that combines elements of table tennis, badminton and tennis. The court is only 20' x 44' making this an exciting volleying game. Many games finish within 15 minutes. Rainberry has 4 pickleball courts on tennis court 11 (a.k.a., Pickleball Park).

We are unique in that we figured out how to play on our softer surface (Har-Tru) vs hard asphalt courts that are being installed around us, for one-tenth the price. Our courts are less of an injury hazard than the hard courts and are easier to maintain.

We play on Tuesday mornings at 9am and Tuesday night at 7pm. On Sunday/Funday at 4pm, the players supply food and drink. Our instructional day is Thursday at 5:30 for beginners, followed by open play at 7pm.

Many beginners start playing games the same night right after their instruction with the other beginners. Friendships are established and phone numbers are exchanged to make up individual games other than open play times. So if you haven't exercised in a while and want to have fun doing it, come on out and try. Balls and paddles are supplied.

Green Committee

by Char Lane, co-chair

From a green perspective, February will be a busy month...

Saturday, February 2, 2019, 9AM - 11AM in the clubhouse parking lot is our second **hazardous waste collection** of the 2018-2019 season. Details in separate information box.

Tuesday, February 5, 2019, 3:30PM - 5:30PM in the Men's Card Room we will host a presentation by the **Delray Beach Orchid Society**. Their presentation covers growing tips for the most common orchids that are easy to grow in south Florida. They will bring and discuss plants, growing medium, samples of fertilizers, etc.

Wednesday, February 6, 2019, 4 PM - 5 PM is our monthly meeting in the Arts & Crafts Room of the Clubhouse. Please consider attending / joining and bringing your ideas and concerns.

Saturday, February 16, 2019, 10 AM - noon is our annual shredding event in the club house parking lot. Bring your bags or boxes of paper to be shredded while you watch. The Red Shredder has been providing this service *(at a cost of \$300 for 2 hours of their truck time)* for the past few years. They also destroy hard drives, which must first be removed from the casings. The Green Committee is not funded and we rely on your donations to pay for this community service and presentations.

Thursday, February 28, at 6:30 PM, we are hosting a Florida Fish and Wildlife presentation on "Pests and Predators" in our Theater since our community is dealing with iguanas, snakes and other wildlife. This will be an informative presentation on how to co-exist and/or deal with these species.

Please properly dispose of recyclable paper items in the yellow bins and plastic and glass in the blue bins. Itemized lists are printed on the bins, Rainberry website, previous Beacons, in the Welcome packages, club house turnstile and at swa.org. We'll be having another plastic bag collection in April for Earth Day.

Thanks for helping make Rainberry green!

If you drink wine, please save the corks. If you use any other products with corks, please save those corks, too. The GC is collecting them for recycling. Please drop them in the cork collection box in the Clubhouse Library. Recork (see Recork.org) reprocesses corks and is the largest recycler of cork in the US.

Meet Your Neighbor—Cal Askinazi

By Phyllis Berke

Cal was raised on the lower east side of Manhattan. He has a younger brother and sister. When he was thirteen years old his family moved to the East New York section of Brooklyn. At Thomas Jefferson High School, Cal discovered that he was a terrific swimmer. His high school coach encouraged him to try out for the Olympics, which he did. But, he said, "I didn't have a chance." He described the other swimmers as having such long arms that they reached from their shoulders to their knees! Their swim strokes were phenomenal. He still loves swimming but doesn't do it competitively.

As a young man Cal worked in his uncle's shop cutting drapes and bedspreads. When he was 25 years old he was living in a co-op in Rockaway with his wife, Marilyn, and their two sons. To get extra money, he drove a taxicab in New York City on weekends. He made more money in two days than he earned in his uncle's shop in a week. Cal was happier driving a cab than cutting fabrics. Marilyn and Cal's father encouraged him to drive a cab if that's what he preferred. Soon afterward, his father and sister lent him money to buy a New York City Medallion and a taxicab. Cal was able to repay his family and he and Marilyn bought a house in Lynbrook, Long Island.

From Lynbrook, Cal drove his cab for twenty years in New York City. He drove twelve to fourteen hours a day. He was forever dealing with people, traffic and car problems. On one occasion, unbeknownst to him, a couple of men who had just robbed a bank hailed his cab. After about ten blocks, two police cars caught up with them and pinned his cab to the curb. The policemen drew their guns and took them to the police station in handcuffs. They thought Cal was one of the bank robbers. They questioned him for more than four hours before they let

him go. After Cal testified in court, the police gave him a letter, which he kept in his cab, that said he helped convict the bank robbers. Cal never got another ticket after that because all he had to do was show the letter and policemen honored his service.

On another trip, Cal picked up a man on 57th Street and 3rd Avenue who was in a hurry to get to Pennsylvania Station on 34th Street and 8th Avenue. Traffic was very slow and his fare was getting impatient. The fare asked Cal to make an illegal left turn in order to avoid the heavy traffic. Cal said, "I can't do that because I would get a ticket." The man said, "Do it anyway and put the ticket on my license." The man then handed his license to Cal. When Cal made the turn, a policeman stopped him and said, "Give me your license." Cal gave him his fare's license instead. When the policeman noticed that it wasn't Cal's license, he demanded an explanation. Then Cal explained what his fare told him to do and that's why he had his license. The policeman laughed and did give the man a ticket for making an illegal left turn. Upon arrival at Penn Station, the man didn't want to pay for the \$5.00 trip, but Cal insisted. The man threw a crumpled bill at him and rushed away. It was a \$20.00 bill! The fare probably thought it was a \$5.00 bill and

purposely left off a tip. Hah! Justice was served.

During his time as a taxi driver, Marilyn worked at odd jobs in bookkeeping and sales. Cal and Marilyn met on a blind date when Cal was seventeen and Marilyn was fifteen. They moved to Rainberry Bay in the year 2000 where they found their home. They both enjoyed living here until Marilyn was diagnosed with dementia and Parkinson's disease. She died in 2009.

How to describe Cal? He's handsome, social, loves to kid around, and he's a fighter. Cal was fighting cancer this past year. He recently survived the torture of chemotherapy and is feeling like his old self again. He used to belong to the Community Observation Patrol (COPS), Block Captains and is a regular at the Current Events Group on Thursday mornings.

He misses playing table tennis. It was at the Table Tennis Club in the clubhouse that Cal met Carol, his second wife. He and Carol enjoy going to dances at the Rainberry theater. In addition to playing table tennis, Carol is a performer and brings her upbeat singing style to several nursing homes and hospitals in our area. They married about a year ago and still act like honeymooners. Carol also sings in a choral group at the Jewish Community Center on Atlantic Avenue.

During the worst of his chemotherapy, Carol and Cal's sons kept him from quitting treatment and giving up. Cal feels fortunate for having his wonderful family. His philosophy of life has been to be a good man and to take care of his family. Now, they are showing their caring for him.

FAQ's

Q What are the rules for renting out a property in Rainberry Bay?

- A. The property must be owned for 2 years or more. Rainberry's Rules restrict rentals to a minimum of 3 months, a maximum of 12 months. There may be only one rental per year. Annual rentals can be renewed (renewal applications need to be presented to the office). Renters must go through the application process which includes a background search, same as buyers. If you plan to rent your property you must also get a Landlord's permit through Delray Beach. This, or your application to DB for the permit, should be attached it to the rental application forms.

Q: What are the guidelines for trash, recycling and bulk pick-up? (See Rules for additional details.)

- A. Trash pickup is scheduled for Tuesday and Friday mornings by Delray Beach Please use your rolling garbage cart if your sections uses those. Recycling needs to be placed in the yellow or blue bins for Tuesday morning pickup. The yellow bin is for paper including cardboard and magazines. The blue bin is for plastic #1-7 and metal. These containers may be placed out after 4 pm the evening before pickup and must be put back away by 11 pm the night of pickup. Bulk pickup is Friday and items should be placed curbside on Thursday, after 4 pm. This includes appliances, as well as vegetative waste including tree and bush cuttings which must be tied. For the Villas sections using the dumpsters, please make sure all your garbage is inside the dumpster so that the lid can close. Do not mix garbage with the recyclables which go in the blue and yellow dumpsters. Do not place bulk items alongside the dumpsters other than Thursday evening. In all cases, contractors must remove their debris.

Q: What is the deadline for the Capital Contribution ballot to be returned?

- A. The deadline was January 4th, 90 days after the first ballot was returned, per statute. If you have not received a ballot or cannot locate the one you did receive, the office can provide a replacement. Stop by or call the office during regular hours - Monday—Friday, 8:30a - 4:30p.

Forward-Looking, and Timeless

By Michael and Sandra Cantwell

Beethoven had a healthy – and it turns out – accurate estimation of the merit of his compositions. When a violinist complained that his Opus 59 quartets were “not music,” the composer responded: “*Oh, they are not for you, but for a later age.*” When the final movement of his Opus 130 quartet (the “Grosse Fuge”) baffled its first listeners and led a critic to characterize it as “*incomprehensible, like Chinese,*” Beethoven dismissed them as “cattle” and “asses.” And when a friend told him, on his deathbed, that the fugue did not please its audience, he responded, “*It will please them someday.*”

While the great majority of classical music was created in the past, the best is timeless and some even speaks to the future. We heard one wag offer the opinion years ago that Beethoven’s late quartets were beyond the average WQXR listener, which is snarky but probably still true. And people are still digesting Debussy’s *Pelleas et Melissande*, a brooding, dream-like meditation based on Maurice Maeterlinck’s symbolist play of the same name, which we are showing on February 1. For the rest of the schedule, please see the “Free Movies” on page 10.

Please join the Green Committee for a presentation / discussion about solar panels that will include Rainberry residents who have installed panels. They will provide information on the overall process and their experiences, along with other tips. This event will be on January 30, 2019 at 7 PM in the clubhouse auditorium.

INTELLIGENT SKINCARE FOR A LIFETIME

Reduce, Repurpose

By Lois Wiesler

Ever wonder why Dawn soap is the wildlife cleaner of choice after an oil spill? Dawn effectively removes grease but does not cause harm to the skin of the birds. It's also biodegradable and contains no phosphates.

Once a month use Dawn dish soap as you would shampoo. It will remove excess oil from your hair and scalp and strip away any build-up of styling products without any damage.

Try this recipe from Merry Maids: mix 3 drops Dawn dish soap in 1 gallon of water and fill a spray bottle with the solution. Spray and wipe as you would with any window cleaner.

Merry Maids recommends using a drop of Dawn soap in 8 ounces of water to clean ceramic tile and no-wax/linoleum floors. You can also use the spray on:

- Bathroom and kitchen counters and sinks
- Woodwork, like baseboards, shelves, and wainscoting (Make sure to dry as you go; wood doesn't like prolonged contact with water.)
- Tubs and toilet seats

Put a drop of Dawn dish soap in a spray bottle, fill the rest of the bottle with water, shake well, and mist your household plants with the soapy water to repel insects from your houseplants, including aphids, spider mites and mealy bugs.

If you have gasoline or motor oil stains on your driveway, first sprinkle kitty litter on the spot to absorb excess oil. Then use a scrub broom and a solution of biodegradable Dawn dish soap and warm water to safely and effectively remove excess motor oil from the pavement.

Use Dawn dish soap to bathe the dogs. It kills fleas on contact and is much cheaper than expensive dog shampoos.

Spray counter-tops, cupboards and any other area where you see ants with a solution of Dawn soap and water. Wipe dry. The slight soapy residue that remains will not be a problem at all for kids or pets, but ants hate it. Should you see a trail of ants, go ahead and hit them with the Dawn soap spray.

Service Dog Alert

"So today I tripped, fell flat on my face—it was awful but ultimately harmless. My service dog, however, is trained to go get an adult if I have a seizure, and he assumed this was a seizure. We're training him to do more to care for me, but we didn't learn I had epilepsy until a year after we got him.

I went after him after I had dusted off my jeans and my ego, and found him trying to get the attention of a very annoyed woman. She was swatting him away and telling him to go away. So I felt like I need to share this heads up.

If a service dog without a person approaches you, it means the person is down and in need of help.

Don't get scared, don't get annoyed, follow the dog! If it had been an emergency situation, I could have choked, I could have hit my head, I could have had so many things happen to me.

We are going to update his training so if the first person doesn't cooperate, he moves on. But seriously guys, you should know that a dog in a vest proclaiming it a service dog who approaches you without his human wants you to follow him."

This seems as good a reason to vest a service dog as any we have heard. The article was on the internet and something we hadn't heard in our meetings.
