OCTOBER 2019 ISSUE

SHARING COMMUNITY NEWS

## BEAUTIFICATION COMMITTEE NEWS

**Gayle Gallinat & Eileen Block**

Welcome to the beautified front entrance of our Clubhouse.

On behalf of the Beautification committee, Luscious Landscaping and Pavers added new borders to solve our drainage problems and keep the mulch runoff off of the walkway. They also added a bench on the left side to allow for short respites.

**SANDY WASSERMAN** applied to the Master's Board, August meeting, and was approved for additional orchids to be placed on trees along the entrance to the Clubhouse. The Beautification Committee also replaced and painted the rotted railroad ties at the office, moved the bench to the front of the office and added missing shrubs on the right side of the parking lot.

We will be meeting on the third Friday every month at 10 AM in the clubhouse and look forward to enhancing and restoring the beauty of our community of Rainberry Bay.

## MOORHEN HERO

**Charlie Harrell**

Who says we didn't have excitement here at Rainberry? Aside from Dorian threatening us about making landfall here in Delray, we had a local hero rescuing precious moorhen babies. As I was walking my dog Chester around the lake with my friend, **BARBARA SHAW**, we heard noises coming from the grates where they control the flow of our lake.

What we found was one of our neighbors, **JASON BENNETT**, down there. Running over to help, we discovered that he had been sitting on one of the benches, smoking his cigar when he heard the cry of creatures in trouble. So, with help from gathering neighbors, he went down there and rescued 3 of 4 baby moorhens and got them back to their "family." Thanks, Jason. Many of us have been keeping tabs on "our" babies and they are fine.

**EDITORS NOTE:** We appreciate this humanitarian effort but strongly discourage all humans from going into the lake or drainage pipes because of the possibility of bacteria and salmonella infections from the abundance of duck and iguana poop in the water..

## FROM THE MASTER BOARD

**Lois Wiesler**

Each hurricane is a learning lesson. They are not “one size fits all.” Each storm is different in size and intensity. Dorian was monstrous and moved slower than most of us could walk.

That being said, some things remain the same. Your CERT team, small as it is, will gather and be prepared to help our neighbors. Management will have the clubhouse set up – a room for triage for medical care should it be needed, and a room for the Communication Team and Incident Commanders to meet and keep track of any damage or medical issues to be reported to the Delray Beach Fire Department until we’re issued an “ALL CLEAR.”

The clubhouse and theater will be ready should they be needed but they are NOT shelters. They are not hurricane-proofed. If, as with Irma, houses have no power, residents will be invited to come cool off and charge their phones. If coffee is served, it is a

courtesy, not a requirement. If refreshments are made available, thank your neighbors who are donating them. If the clubhouse does not lose power, then it will all be air conditioned but not all rooms will be available. If it does lose power and is working under generator power then only 2 rooms will be cooled and not all outlets will be working.

Pools are closed, even if it is a sunny day. Why? In preparation for the storm, pumps are shut down and the water is no longer being checked for the proper chemical balance. Debris will likely blow in the pools which can make them unsafe and unhealthy. Once the pool company comes back it takes about 24 hours for the pumps to circulate the chemicals to restore balance. You will know they are safe once the locks are removed.

Management also removes the canvas awnings in the tennis center and at the pools so they don't get destroyed in the wind. The arms are removed from the entry gates, the Riviera gate is locked. Chairs are removed

from around the pools so they don't get blown in the wind. These are just a few things done in preparation.

And for our residents: landscaping should be kept to a minimum just before or a storm and keep in mind that garbage, recycling and bulk pick-ups will likely be stopped. Do not put yard waste at the curb as it will be blown about in the winds. In the Villas area with dumpsters – please keep your garbage inside if the dumpsters are full. Recycling dumpsters are moved so they don't fly in the wind - so hang onto recycling until the next pick-up is scheduled. Please make sure any and all possible projectiles are removed from around your home. Shutters are to be put up and removed by residents – get help if you need it! Any plywood that is used should be removed after the storm has left our area – it's for your safety!

## FROM THE HOMES BOARD: YOUR VOTE REALLY COUNTS!

**Rhona Campton**

I know that we are all aware of how important it is to vote for our political leaders, but it is equally important to remember how important it is to vote on local issues that impact you and your life directly. What I am referring to specifically is the recent vote that was held by Homes Association to pass two vital amendments to our documents.

Florida Statute 720 gives us 90 days from the date of the special meeting set up to explain what we were trying to accomplish. This meeting was held on May 15<sup>th</sup>, which gave us a deadline for final vote tally of August 14<sup>th</sup>, 2019 to obtain the necessary affirmative votes to pass. Currently our Homes Documents require a 67% affirmative vote- which translates to 379 affirmative votes. Unfortunately, despite tremendous efforts by Homes Board members and a group of

dedicated volunteers who called homeowners to remind them, we were unable to obtain the requisite number of votes required to pass these very important amendments.

However we came SO close! Total votes cast were 342- and almost all were in agreement to pass these. We had 339 Yesses on Amendment 1 and 325 Yesses on amendment 2. If Homes had the same voting rules as the Master and Villas Associations, which each use a simple majority (50% plus one), both of these amendments would have passed with flying colors! We will now have to restart the process all over again, starting with another special meeting and another 90 day window to obtain the requisite 379 affirmative votes!

A quick review of why this is so important to us. The first amendment is one that will bring our documents current with Florida

Statute 720. The statute was changed to enable HOA's to collect ALL past due assessments, including late fees and attorney's fees from financial institutions when a mortgage foreclosure is completed. Our documents currently only allow us to collect one year of unpaid dues. Just to put this in perspective, we have a number of properties that are in foreclosure that are several years in arrears on dues! This costs each and every one of us money!

We need to make up the difference. That can mean as much as \$20,000 on one roof that wouldn't have to be taken from reserves! The law is on our side, but we need to make sure our documents reflect the law- not an outdated version of it.

After a brief hiatus, we continue with both the Shakespeare and French opera themes in October, this time Charles Gounod's setting of *Romeo and Juliet*.

We will also try, once again, to introduce Rainberrians to the magic of Wagner, easing the way with our patented Cliff Notes's version of *Tristan and Isolde*, compressing a five-hour opera into the space of 90 minutes. This time our guide will be one of the singers, the legendary Jon Vickers.

# RUTH TRIMMER

Phyllis Berke

Ruth started out as a dancer in New York. She also worked as a casino host in Atlantic City for many years and returned to dancing when she moved to Florida in 2004. Ruth is a down to earth person who was engaged in many different glamorous jobs. As a showgirl in Manhattan nightclubs, she wore beautiful exotic costumes. As a casino host in Atlantic City she handed out perks to high rollers. You can recognize Ruth by her sparkle and irresistible smile.

At the age of eighteen, Ruth became a dancer in a troupe called the Manhattan Rockets. She toured with the troupe in many state fairs all over the country. The troupe appeared once in Madison Square Garden and once in Lincoln, Nebraska at a tricentennial celebration in Johnny Carson's hometown. A year later Ruth moved to Manhattan. Between dance engagements, Ruth worked as a temp for employment agencies. Fortunately for Ruth, her roommate, Donna, injured her knee dancing in the chorus of Lou Walters' Latin Quarter, a popular nightclub in Manhattan. Ruth was hired as Donna's temporary replacement. She then replaced another injured dancer in the show at the Latin Quarter for six months. Ruth was then hired to dance in Lou Walters' road show. By the way, Lou Walters was TV personality Barbara Walters' father.

After that, she was a showgirl at Jules Podell's Copacabana night club in Manhattan for nine months. When that ended, Ruth danced in an Off Broadway burlesque show for two and a half years starring Ann Corio, a well-known stripper. In case you were wondering, Ruth was not a stripper. She just danced. Ruth loved the exciting life of a showgirl and remains friends with many of her contemporaries after all those years.

Ruth and her family were brought to a suburb of Trenton from Germany after World War II by the Jewish Family Service when she was four years old. She attended a Hebrew grade school with five classmates, all from Europe. When her parents moved to Trenton proper, Ruth and

her younger sister attended public schools. Ruth took dancing lessons and was great at it. Upon graduation from high school, she auditioned with the Manhattan Rockettes and got the job.

Ruth took time off from dancing when she married and became pregnant with their son. A few years later, with the idea of becoming a showgirl again, Ruth moved to Atlantic City. She took a job at a bank, but that was not exciting enough for her. She applied for work at the Playboy Club Casino in 1980 and found a new career that she loved.

In order to work as a Casino Host, Ruth had to pay \$1,400 to apply for a license from the State Division of Gaming Enforcement. An agent went to her home, checked her finances, looked inside her safe deposit box and verified her history. While waiting for her license to arrive, Ruth worked as a cage cashier. She graduated as a junior casino host.

"Does a casino host wear frilly dresses and bring patrons free drinks?" I asked. Far from it, I learned. She wore a business suit which prominently displayed her license from the gaming division. This was the casino's uniform. She would go to the pit boss who introduced her to the high rollers also known as quality players. A pit boss supervises two to four dealers at the card tables. If a patron wanted to change a big bill or cash in a large amount of chips, the

dealer had to notify the pit boss.

Basically, Ruth acted as a public relations person for the casino. She would offer a big money player the opportunity to get a free room, drinks, food and tickets for shows. If he or she was interested in these perks, Ruth would help the big spender to pick up a Player Card from the casino's service desk. Management could then track the gambler's spending. The gambler had to present this card before every bet. From 1986 to 1994 Ruth worked at Trump Plaza as a full-fledged casino host. Is that a dream job or what?

In 1994 for three years Ruth became a partner in a casino in Colorado. She sold out when she had the opportunity to become a flight attendant with a charter company which ran junkets to Atlantic City. The charter flights were sponsored by several Atlantic City casinos, like Harrah's and Caesar's. She loved this job which lasted seven years until she moved to Florida.

When she moved to Florida in 2004 Ruth danced as a showgirl again. For fourteen years she danced with the Original Florida Follies in Florida. The Follies raised money for children's charities. She is grateful to Cathy Dooley for founding the Follies which contributed to children's well-being. The Follies showgirls were all senior citizens. They dressed in fabulous costumes with huge Vegas style head dresses. Many of the Follies dancers began their careers in New York City. They were a lively and glamorous bunch.

Thank you, Ruth, for bringing your sparkle to Rainberry Bay. We're glad you're not bored with us after all the glamor in your life.

# DRAINAGE FACTS FROM LAKE WORTH DRAINAGE DISTRICT (LWDD)

Robert Cohen

These Fast Facts are provided to clear up some misunderstandings in Rainberry Bay.

The following **SEVEN FAST FACTS** will help get property owners started on becoming better informed partners in providing flood control.

Our lake, based on advice from our LWDD inspector, is currently being maintained at its design level to provide proper FLOOD CONTROL.

**Fast Fact 1:** The association or neighborhood drainage system is always operating. Stormwater continually discharges from lake systems until the designed water elevation is achieved.

Fast Facts 2 and 3 DO NOT APPLY to Rainberry Bay because the Discharge Control Structure (DCS) is Fixed and Not Operable despite the installed steel plates which LWDD does not understand. And, our DCS contains a "backwater valve" to prevent canal water entering our lake IF the canal got flooded.

~~**Fast Fact 2:** The association cannot open its discharge control structure without authorization from LWDD. Doing so can put the community in jeopardy because canal water may backflow into lake systems.~~

~~**Fast Fact 3:** LWDD authorization to open a discharge control structure is only given under emergency conditions and when LWDD canals are able to accept the additional increase of stormwater.~~

"Older Communities" means those with drainage designed BEFORE 1972, i.e. King's Point. Rainberry's was designed in 1977-78.

**Fast Fact 4:** Severe flooding most often occurs in older communities without modern stormwater systems, neighborhoods with poor maintenance practices and when rainfall exceeds the drainage design.

We do not take any water FROM the canal system. And, per 1972 rules, ALL of our storm drains go to the lake and never directly to the canal.

**Fast Fact 5:** The association or neighborhood drainage system discharges into LWDD canals which discharge into South Florida Water Management District canals. These 3 groups work together to capture and hold stormwater and coordinate discharges at safe and appropriate times.

**Fast Fact 6:** Potential rainfall effects within LWDD:

- ⇒ 5-6 inches of rainfall in a 24 hour period, expect standing water in yards, swales and ditches. Crowns of community road should remain dry and passable.
- ⇒ 7-9 inches of rainfall in a 72 hour period, expect community swales, roads, lawns and driveways, including garages to flood as designed. Finished floors of houses should remain dry.
- ⇒ 15-23 inches or more of rainfall in a 72 hour period, expect that some houses and businesses may experience finished floor flooding.

**Fast Fact 7:** Property owners can help. Avoid placing trash bags or landscape debris in swale areas or on top of storm drains. Do not throw trash into lakes or canals which can cause blockages. Never plant or place encroachments in the canal right-of-way which can restrict access and cause delays for emergency response.

Increase your knowledge about community flood protection. Visit LWDD's website at [www.lwdd.net](http://www.lwdd.net) or email your questions to: [info@lwdd.net](mailto:info@lwdd.net).

## NEW COMCAST/XFINITY CONTRACT

Lois Wiesler

Our Comcast Committee has been working very hard. Our existing contract is coming to a close at the end of the year and they have been negotiating a new contract for January 2020 which the Board has selected and passed. The new contract will be a bundle of TV and Internet. Everyone will have access to the X1 platform with voice controlled remote and units for 3 TV's (rather than the 2 in our current contract).

You will retain HBO and all the channels you enjoy. In addition, it includes the modem/router for high speed internet. If you currently use Comcast for internet the account will switch over so you will not continue to be billed separately from your monthly maintenance.

If you use another provider now, Comcast will provide their modem/router at no charge. In all instances, if your home needs wiring you will be able to have them come in and check all the wiring, again at no charge. Comcast will be setting up dates for discussion, review of your bills and setting up appointments. (Phone service is optional and residents who want it may negotiate for it separately.)

More information will follow as soon as the contract details are completed. Please wait for future emails, Beacon updates and letters in the mail.

## Your Vote Really Counts

The second amendment is to simplify our amendment process by only requiring a simple majority (50%) plus 1. This would enable us to revise the declarations in the future which may become necessary due to changes in the law as well as to reflect the changes in the desires of the community. This helps your board serve you better and be more responsive to your needs. Your participation is essential in creating the Rainberry Bay that we all want. YOUR VOTE REALLY COUNTS!

*The Best of Times is Now, what's left of summer but a faded rose, (Hurricane). The best of times is now, and of tomorrow, well, who knows, who knows. So hold this moment close, and Live and Love as hard as you know how. and make this moment last because the best of times is now. Oh now, not some forgotten yesterday, oh now, tomorrow is so far away. So hold this moment close, and live and love as hard as you know how. and make this moment last, because the best of times is now.*

As I write my article, I'm listening to my favorite song, *The Best of Times*, sung by Vince Hill as Hurricane Dorian drifts away from Florida and we enter the final quarter of 2019. This song says it all. Live for now.

# BRIGHTON BEACH SEAFOOD SHACK: BAGELS WITH ... LOBSTER?

Kat Kadian-Baumeyer

Lobster, whole belly clams, scallops? Not typically things we think of when we want bagel shop fare. Well, think again. Brighton Beach Bagel and Bakery, located next to Winn Dixie, introduced Brighton's Seafood Shack menu several months ago and it will blow you out of the water. Jeff Dolinsky, COO and award-winning seafood restaurateur wanted to bring the tastes of his New England town to the folks from Maine to Maryland who made their home in the area and we are certainly glad he did.

The Lobster Roll is jam-packed with rich, sweet chunks of lobster and very little of anything else. Just a bit of chopped celery and mayonnaise is all. Served on a soft and buttery hot dog bun, this copious feast of tender crustacean is sure to please even the most discerning New Englander. And Jeff would know. It's in his blood. After all, Jeff's grandfather was a successful lobsterman and seafood wholesaler. Try the lobster roll with one of four homemade sides: potato salad, macaroni salad, cucumber salad or coleslaw all for \$13.99. Upgrade to fries for a nominal charge.

and much closer to home. The chef starts with freshly shucked clams and adds a few secret ingredients. What comes next is thick and creamy clam chowder chock full of tender clams and potatoes.

With so many seafood options to choose from, there is something for everyone. And if you cannot decide, try the Fisherman's Platter. Make no mistake. The Fisherman's Platter has a net full of fresh seafood. Lightly fried fish, whole belly clams, scallops and shrimp with fries make it a complete meal. Substitute the fries for gigantic onion rings for a nominal charge.

If you have a landlubber in your crew, Brighton Bagel and Bakery makes it easy. This New York style bagel deli and bakery has it all. Corned beef, pastrami, salads and more are available all day. The Mushroom Barley soup is a favorite with the Split Pea soup as a sure second place winner.

Brighton Beach Bagel and Bakery is well-known for quality deli meats. But did you know that they also serve the finest smoked fish and gourmet sandwiches?

Two must-haves are the whitefish salad and the salmon salad. Both are smoked in-house for the most addictive flavors. The word is that people drive for miles just to delight in these salads. The Nova lox selection is also superb. The Reuben and the Rachel are popular choices as well. In the breakfast mood? Omelets, egg sandwiches and crispy bacon are served all day.

Catering for a crowd is no problem for these bagel bakers. A complete catering menu can be found on their website.

If you are looking for quality deli and seafood, Brighton Beach Bagel and Bakery is the first choice amongst those in the know. Yelpers even give the breakfast and lunch spot 4-stars.

Not convinced yet? Brighton Bagel and Bakery make delicious desserts. Traditional rugelach and black and white cookies will satisfy the sweet tooth.

The Encyclopedia of Food and Drink states that the lobster roll originated at a restaurant named Perry's in Milford, Connecticut in the late 1920s. The succulent sandwich became popular amongst the locals and eventually gained a reputation in other lobster-abundant northern states but never moved much further.

Until now, that is. The lobster roll made its way to Delray Beach and the locals could not be more pleased. Not a lobster fan? There is an ocean of delectable possibilities to choose from. Fried whole belly clams are a briny, crispy delight. Every sweet bite starts with an exterior crunch that leads to a perfectly done center. Make it a "Chowdah" Combo for a hearty lunch.

Woodman's of Essex shared some fun facts about lobsters that one can really wrap their claws around. Did you know?

- Lobsters were considered cheap eats and generally only fed to pigs and chickens
- When there is no food left for a lobster to eat, the lobster may eat smaller lobsters
- Lobsters generally feed on clams, snails and crabs
- Lobster has a whopping 28 grams of protein per cup
- Maine is known for producing the most lobsters and people from Maine claim their lobsters are the best

Another fishy fact. Captain Parker's Pub in Yarmouth, MA was noted for having one of the best New England Clam Chowders in the country. You don't have to travel to Massachusetts to taste genuine New England clam chowder. Brighton's "chowdah" is a clear contender

## WHAT TO DO WITH COFFEE GROUNDS

◆ Exfoliate with a body scrub made of coffee grounds, coconut oil and a little brown sugar. Gently massage it on in the shower and rinse.

◆ Use coffee grounds as mulch for acid-loving plants — roses, azaleas, rhododendrons, evergreens, hydrangeas and camellias. They like coffee grounds for the natural acidity and nutrients they add to the soil.

- ◆ Sprinkle coffee grounds around areas of ant infestation to deter them.
- ◆ Used grounds are said to repel snails and slugs, so sprinkle them in problem areas.
- ◆ Keep kitties out of the garden with a mixture of orange peels and used coffee grounds distributed around plants.

## WHAT TO DO WITH TEA LEAVES AND TEA BAGS

◆ Cool tea bags can bring relief when applied to bug bites and minor burns, including sunburn. For overall skin irritation, put spent tea leaves in a bath and soak.

◆ The tannins in tea have anti-inflammatory effects, which is why cool ones are often employed on puffy eyes. (The chill also helps with swelling.)

◆ Use tea leaves as food for garden plants — green tea is high in nitrogen, and as a bonus, the leaves can ward off pests and insects. This is also good for houseplants, so add old tea leaves to their water.

◆ When potting plants, place a few used tea bags on top of the drainage layer at the bottom of the planter before adding

soil. The tea bags will help to retain water and will also leach some nutrients into the potting medium.

- ◆ Sprinkle used, dried tea leaves in litter boxes to help reduce the smell. Sprinkle dried, used green tea leaves on your pet's pillow, bed, in the doghouse, or other smelly spots to eliminate odor.
- ◆ If you're out of baking soda, place dried, used green tea bags or leaves in a small open bowl in your refrigerator to help absorb odors.
- ◆ Rid your hands of food odors (garlic, onions, etc.) by rubbing them with wet green tea leaves, an instant deodorizer.
- ◆ Rub wet tea leaves on cutting boards and counters to remove food odors.

**RECYCLING** - Please continue to do your part to help the environment by properly disposing of recyclable paper and cardboard items in the yellow bins and plastic, glass and metal food and drink containers and cans in the blue bins. Itemized lists are printed on the bins, the Rainberry website, previous Beacons, in the Welcome packages and club house turnstile. Cardboard boxes should be cut or torn into flat pieces no larger than 3' by 3'. SWA.org/recycling has a lot of specific information. And please remember - no plastic bags or Styrofoam in the recycle bins.

SWA has been leaving behind some items that do not belong in recycle bins. When you "recycle" a pizza box that has grease / food on it, all of the contents of the yellow bin are typically deemed contaminated and trashed. Containers with food and items such as dryer vent hoses and paint cans should not be put in recycle bins. Please put only the listed acceptable items in the recycle bins. When in doubt put it in the trash.

**TRASH** - SWA's Renewable Energy Facility #2 in WPB reduces the waste going to SWA's landfill by almost 90 percent, thereby extending the active life of the landfill. The burning of trash generates 100 megawatts of electricity, providing power for more than 40,000 Palm Beach County homes and businesses. If you're discarding furniture items, consider donating to a charity. Large/bulk items are picked up on Fridays and should not be put curbside before 4 PM Thursdays.

**GREEN COMMITTEE MEETINGS** are the first Wednesday of the month (*except in January 2020*) at 4 PM in the Arts & Crafts room of the club house.

Upcoming 2019-20 meeting dates are:

October 2, 2019

November 6, 2019

December 4, 2019

January 8, 2020

February 5, 2020

March 4, 2020

April 1, 2020

Hazardous waste collections are 12/7/19, 1/18/20 & 3/21/20 and our shredding event is 2/15/20.

**RETHINK HOW** you can reduce your environmental footprint.  
**REDUCE** the amount you waste by using less.  
**REUSE** items in good condition by donating, sharing or repurposing.  
**RECYCLE** all acceptable items in the blue or yellow bins.

# Keeping Us Informed

## BLOCK CAPTAINS

### Ann-Marie Blondin

Hello all residents and welcome Fall. Hurricane Dorian is now a memory (as of this writing) and we hope that no more storms will be a threat to us this season.

*A BIG thank you to all the CERT members and leaders who volunteer their time and efforts and stand ready to serve the RB community.*

#### Rainberry Bay Annual Collection Update:

I have had a busy summer communicating with DB Police and Fire and Rescue Departments regarding Rainberry Bay's donations of \$2,000 each.

*Ann-Marie Blondin, Block Captain Chair, presenting RB's check for \$2,000 to Chief Javaro Sims, DB Police Chief.*

to apply to a victim suffering an acute cardiac event. It does the same function as the ones that are carried on the EMS fire rescue vehicles. The AED's automatically provide a shock to the heart to reestablish a rhythm or heartbeat. The Stop the Bleed kits have military grade Combat Application tourniquets (CAT) and hemostatic gauze. These can be used to stop large blood loss for a victim due to a shooting or accident where major arteries are severed. Both of these are life saving devices that will be placed in a Delray Beach public building for use. They can be used by bystanders to save someone when seconds count before the fire rescue arrives.

- **DB POLICE:** I followed up with DB Police Chief Sims about how they will use our donation of \$2,000. They decided to purchase two DB Police Department photo screen backdrops: one which will be utilized in their Training Room for a photo op with Police and other DB government officials; and the second one will be a portable backdrop which they will use on recruiting trips and other Delray Beach community events. The photo screens depict DB Police members and past community events.
- **DB FIRE and RESCUE:** Two (2) Automatic External Defibrillators (AED) and two Stop the Bleed Kits will be purchased. The AED defibrillator is designed for the layperson

Both the Police and Fire and Rescue Departments again expressed their sincere gratitude to Rainberry Bay for these donations. Thank you again to all the residents who donated.

#### Do you want to hear more about Block Captains and what we do?

Come to the first meeting of the 2019/2020 season : Monday 2 pm on October 7 2019 at the Clubhouse in the Arts & Craft room. Subsequent meetings are monthly, held on the first Monday of the month, from October through April. See you there!

# Keeping Us Involved

## 21ST CENTURY CLUB

Mike Klein

As I write this, we should all be thanking Mother Nature for sparing us the fury and devastation that befell the Bahamas. It was close and had everyone on edge for several days, but now its over. For now.....until the next threat.

But on a brighter note, we had a glorious outpouring of party folks attending our Labor Day show featuring "Hot Rod." It was great and everyone had a wonderful time dancing, eating rugelach and Klondike bars.

Our next event will be a New Years Eve party featuring the music of Eddie and the Boomers, table treats and champagne for all. We will be starting at 9pm so have your dinner first and then stop in to celebrate the New Year with your friends and neighbors. Bring your favorite beverage and treats. Tickets will be on sale

beginning Thursday November 14th, and then every Monday and Thursday from 4-5 pm.

We roll into January with The Fabulons, and in February, The Beach Boys tribute. Also in February, The Motowners. (I'm talking Four Tops, Temptations, Martha and the Vandellas and more.) In March, we will present a Tom Petty tribute, and we will end the season with the always popular Flyers.

We are very excited with our line-up and hope to see both regulars and newbies to Rainberry Bay at these dance fests as well.

The 21st Century Club is always looking for our neighbors to volunteer and help out with our shows. If interested, contact Marcia at 561 927-8550

## BRIDGE CLUB

Joel Speiser

The American Contract Bridge League sponsors bridge tournaments all over North America. The largest is in Gatlinburg, Tennessee and attracts players from all over the world and from all skill levels, from raw beginners to world champions.

How large is large? At last year's tournament there were over 8,000 tables—that's more than 32,000 players! And for all you non-bridge players whose minds are blown by those numbers, consider this: know how much prize money was awarded among those 32,000 players? Zero! Yep—bridge players don't win money for winning tournaments—they enjoy friendship, camaraderie, satisfaction, and fun. Or, as a friend of mine once told me, "I thought bridge players were supposed to be smart! Think I'll stick with euchre!"

Your Rainberry Bay Bridge Club invites you to join us any Monday evening at 6:45. If you need a partner, we'll gladly find one for you. Find out what this great game of bridge is all about!

## THEATRE ARTS

Glenn S Todd

Welcome everyone to the new season of Theatre Arts. There will be some changes made in the way that we will be presenting our

programs. Our last president, **DOLORES GORDON**, sold her home and moved to West Palm Beach. We wish her all the best and we will miss her.

Our new officers are: **GLENN TODD**, President, **SARA TODD**, Vice President, **SYLVIA KAUFMAN**, Treasurer and the little powerhouse, **GLORIA GOLDMAN**, Secretary.

On Tuesday October 29, 2019, we

begin with an open meeting which will include entertainment and refreshments. Membership dues will be \$ 10.00 for the year. We will also charge \$10.00 for the entertainment. It will be an evening consisting of the Queen of Karaoke. The meeting will start promptly in the club house. We will be serving wine and cheese for your enjoyment.

Our next open meeting will be held on January 28, 2020. At this meeting the entertainment will be supplied by the talented residents of Rainberry Bay. If you would like to participate as one of these stars, contact me and I will put your name on the marquee.

Ray, one of our regular members, has always told some cute jokes. I am sure he

has new ones which he would like to share with everyone. Further details will be in future bulletins.

Finally, there are some of you who have not registered yet with Raindrops. An advantage to subscribing to Raindrops is making sure you have the latest information on the activities here. Since the Beacon is published monthly in advance, often changes are not noted. Since Raindrops comes out on email every week, you can get any updates in order to change your plans. Sign up with Raindrops now at [rainberrybay@gmail.com](mailto:rainberrybay@gmail.com).

I hope to see everyone on October 29 at 7 PM in the clubhouse auditorium.

# RB PICKLEBALL CLUB: GETTING STARTED!

John Gaul

This summer a steering committee created, and the board approved, a new Charter for a Rainberry Bay Pickleball Club (RBPC). With the return of Fall and absent Rainberry Residents, we need to hold our first elections for Officers and Events Coordinators in order to activate and begin growing our Rainberry Bay Pickleball Club. Officers and Events Coordinator candidates will be announced in November for election in December. We need VOLUNTEERS to run for these offices if we are to realize a RBPC! (See positions below).

Why do we need/want a RBPC? This is a good question and I want to take a moment to briefly outline those reasons.

1. Promotion and growth of the sport at Rainberry Bay.
2. Training/skill enhancement through lessons and drills by knowledgeable instructors.
3. Social play both within RB and amongst other communities with pickleball clubs.
4. Competitions and league play with other communities.
5. Social events within RB as well as dinners, trips and events outside RB.
6. Acquisition of pickleball equipment including pickleballs, pickleball hopper baskets, pickleball retriever tubes, pickleball serving machines, etc.

In addition to these, there is the primary reason of the amazing camaraderie and social interaction that we all know and love about the game of pickleball. For those of you who already know the incredible dynamics of this game, won't you volunteer to help run this new organization? For those of you who don't know this game, why don't you come out and see what all the excitement is about?

We need a slate of candidates to announce in November for election in December. Please VOLUNTEER!! The positions and duties are listed below.

- ◆ The **President** shall preside at all Board Meetings and General Meetings. The President will appoint all standing and temporary committee chairpersons. The President and any Officer shall sign all written contracts. The President shall call a Board meeting not later than one week before a regularly scheduled General meeting in order to set the agenda for the general meeting. In an emergency the President or acting President may call a Board meeting as needed.
- ◆ The **Vice President** shall preside over all Board and General meetings when the President is unavailable. The Vice President is responsible for being the Liaison to all committee chairpersons.
- ◆ The **Treasurer** shall collect all monies due the RBPC and pay all approved bills. The Treasurer shall prepare and submit a current financial statement of the RBPC at each regular meeting which will be entered into the minutes.
- ◆ The **Secretary**, subject to the discretion of the officers, shall keep minutes, compose correspondence and maintain all necessary records of Board meetings and General meetings.
- ◆ The **Social Event Coordinator** will oversee selected social activities such as dinners, trips and events both inside and outside Rainberry Bay.
- ◆ The **Pickleball Play Coordinator** will oversee social and competitive games within RB and among other communities in our area.

## CASTING CALL FOR SPRING PRODUCTION!

Conrad Berke

**"ARSENIC AND OLD LACE" IS ONE OF THE BEST MURDER MYSTERY COMEDIES FROM BROADWAY TO HOLLYWOOD.**

This is a funny show that will lift you out of your seats with broad smiles, suspense, laughter and a bubble of giddy joy. There are twelve characters on stage that will keep you on the edge of your seat from beginning to end.

*Arsenic and Old Lace*, the play, opened on Broadway in 1941 and ran for four years. It was followed by the movie with Cary Grant, Priscilla Lane, Josephine Hull, Jean Adair, Boris Karloff, Peter Lorre, Raymond Massey, Edward Everett Horton, Jack Carson and James Gleason.

Wild comedy, chaos and escalating mayhem ensue in this wonderful black comedy. Joseph Kesselring's stage play introduces the sweet old Brewster sisters who serve tea spiked with arsenic to lonely, old bachelors. There is an enjoyable lunacy to the whole show.

Would you like to be in the show? You can be in the spotlight.

Can you act? Can you build sets? Do makeup? Work backstage or onstage? Sell tickets? If you are interested, you can help in many ways.

## FALL, FAMILY AND FUN AT THE BOCCE COURT

**FALL** – “Fall in love” with bocce!! What better time to start playing bocce than the cooler (?) days of autumn. We salute those dedicated players who survived the heat and humidity during the summer months. Although we missed the “cone” of Dorian, we are grateful the Rainberry maintenance crew prepared for the possibility of a hurricane by taking care of the amenities at the bocce courts. As our northern friends begin to return, maybe we will celebrate with “cones” of ice cream. We are looking forward to construction of new courts in the near future.

**FAMILY** – It bears repeating that the bocce “family” is one of the best. A number of our members have experienced health challenges and loss over the summer months and the “family” has been there with thoughts, cards, visits, and support. We’ve also celebrated together over special birthdays and anniversaries and visits from children and grandchildren.

**FUN** – Don’t miss out on the fun times that are available at the bocce court. Join us for some friendly competition and socializing on a weekly basis. In addition, the Bocce Club offers opportunities throughout the year for fellowship both on and off the court. Events are posted at the court.

The Bocce Courts are located on NW 29<sup>th</sup> Ave. in front of Pool 2. Come, observe a game, and then give it a try. You might just “fall” in love with the game.

## TABLE TENNIS

### A Bona Fide Workout!

Want a fun way to get your heart pumping and your feet moving? Play Table Tennis!

According to Weight Watchers, ping-pong is a bona fide, calorie-burning sport. Beginners can expect to burn between 200 and 350 calories per hour of play, and advanced players can burn up to 500 calories per hour, depending on how active the match gets.

Join those of us at RB who love this game for the fun and exercise it provides as well as the warm friendships we have developed through the club. We are ALWAYS ready to greet new players and beginners. You’re welcome to play or watch or bring along your daily crossword puzzle!

The club plays in the auditorium of our clubhouse three days a week. Please remember to wear your sneakers.

## PICKLEBALL

Steve Bodner

**MONDAY, WEDNESDAY, THURSDAY, SUNDAY—6 PM**

Your serve is the one shot you have complete control over during a pickleball game. You can visualize ball placement, take a breath and send the ball exactly where you want it to go. But it can be surprisingly difficult to develop a reliable serve even when you have all of these factors in your favor. Four tips:

1. Keep the ball in front of your body. Keep the ball and your target in the same sight line.
2. Don't use a big drop when releasing the ball from your hand. Keep the ball relatively close to your paddle and don't use any big motions that might create more of a trajectory.
3. Follow thru in the direction of your target with your arm and paddle. The target should be your opponent in the box diagonally opposite you.
4. Develop a pre-shot routine. You will want to aim for your opponent's weak point (usually their backhand). Make notes of any outside interference from the elements such as sun glare (lob serve) and wind direction. Good luck and please come out on Mondays, Wednesdays, Thursdays and Sundays at 6pm. All are welcome.
