FOR AND ABOUT THE
MICHIGAN ASSOCIATION FOR FAMILY & COMMUNITY EDUCATION

Our Mission

O strengthen individuals, families and communities through education, leadership, and action.

SUMMER 2016

FROM THE PRESIDENT

HI Members:

It's that time again to let you know what's going on.

I did attend all five District Meetings. Had a great at time and seen some more of Michigan I haven't seen before. They all had great speakers for their programs. I got to see some old friends and meet some new ones.

We did very well on collecting funds for the State and selling the books too. Thanks to all of you that supported the State organization.

Hope to see most of you at the Convention in Harris Michigan at the Island Resort on September 28-30th with the tour on September 27th.

I need to have information on any deceased members – how long they were a member, any offices they held in local study group or at state level, etc. I also need names of all 50 year members.

As you know, Sharon Rajewski was appointed to be our Editor until the end of 2016. If anyone is interested on doing the Editor position, please contact Kathy Couchene or myself.

See you at Convention!

Lorraine Rice
MAFCE President

EDITOR NEWS

I have accepted the appointment as your new editor for 2016 of the MAFCE NEWS. I hope to bring you the events happening within our organization that are provided me from your counties, district directors, and officers. In addition to their reports, I will report on facts I learn from Board gatherings and other events attended.

To briefly summarize the events at the 2016 Spring Board meeting:

- Reports given by officers and directors. Newest note is that Nancy Berta is now the West U P District Director replacing Kathy Couchene whom was appointed President-Elect.
- Our fund raiser – 2016 Raffle – tickets were distributed to District Directors. If you have not received your tickets to sell, please contact your county president as it is **vital** that each member buy one and sell two.
- The Character Counts winners for Michigan were announced. Again only three counties participated and the winner was from Calhoun County, second went to a student in Delta County, and a Bay County student came in third.
- It was decided to eliminate the Board from hosting the State Convention every sixth year so now the rotation will evolve the five Districts to alternate in rotation for hosting the Convention. In 2017 it will be in Southeast and 2018 in Southwest.
- The recruiter scholarship (Shoot for the Stars) was drawn and the winner for 2016 Convention is Mary Woods of Lapeer. Alternates were Gloria Crandall of Calhoun and Joyce Weiss of Bay.
- Much discussion took place regarding the financial status of the organization.

- The first step the board took to show good faith was to reduce the number of Board Meetings to one per calendar year. This is pending on the vote of the proposal being submitted to the convention delegates.
- A \$500 Memorial donation in memory of Rose-Lee Faustin from Bay County was received. Rose-Lee died in December and was the first District Director of East Central District.
- A motion was made, second, and passed that raises the convention registration cost to \$150.
- A proposal was made and second that state dues be raised to \$7.00. This ballot is being submitted to the Advisory Board (consists of State Board and President or elected representative of each County) for approval.

NORTH CENTRAL DISTRICT NEWS

The Chippewa County FCE club hosted a most enjoyable district meeting on May 11th at the Great Lakes Grill restaurant in Cheboygan. There were 35 present, 3 of which were guests from Emmet, Presque Isle and Saginaw counties. The presenter, Mary Liebner, is a local author of “All Aboard the Boat Leaving”. She told how the glaciers formed Cheboygan County and how she uses the waterways to keep fit by kayaking. It must be working as she is an alert, energetic 99 years old!

MAFCE VP of Education, Joyce Weiss, helped us make sense of our senses by her presentation and some hands on. It was very interesting. The members of NC District present re-elected Paula Badder as NC District Director for the term beginning 1/1/17. Thank you all for the support.

The winner of the MAFCE 2016 State Convention scholarship is: 1st – Helen Boyd, 2nd – Mary Charboneau, and 3rd – Marion Eagling.

The winner of the North Central District 2016 Convention scholarship is: 1st – Mary Charboneau, 2nd – Beverly O’Connor, and 3rd – Ruth Gainor. The winner will receive \$75. The winner of the applied scholarship will also receive \$75 as was voted on and passed. A person who received a NC District scholarship in 2013 or before is eligible for one in 2016.

If you know of anyone who is an example of what a FCE member should be – nominate them. Send the application to President Lorraine Rice by Aug. 1st. (I have applications if one is needed)

If you have been a member of FCE for 50 years or more and haven’t received a 50-year pin and certificate, let President Lorraine Rice know by July 15th.

The book “Prostitutes, Margarine and Handguns” by Albert D McCallum, Arlona’s husband, is very interesting. If you didn’t get one at the District Meeting you may want to get one at the State Convention in September. He donated the books as a fund raiser for MAFCE.

See you at the convention September 28-30th.

Paula Badder, NC District Director

CHOIR PARTICIPANTS

As always, I will be looking for participants to be in the MAFCE State Choir. We will perform at lunch on Thursday and the Friday Breakfast. We always have lots of fun and they have given us a whole hour and a half for practice on Wednesday afternoon...how can you say no??? I’ll see you there. Joyce

SCHOLARSHIP TO CONVENTION

If you need some help to attend this year’s convention, then please apply for a scholarship. If you need a form check with your County President or your District Director. You must not have received the scholarship in the past three years to be eligible for a scholarship. The form is due by July 15th to Nancy Andersen, 8647 Schaawe Lake 24th Lane, Rapid River MI 49878.

- D. Once and Again- Costume Jewelry and Appraisal:** "Once and Again" is a shop at 1100 Ludington Street in downtown Escanaba. Theresa Norden is the owner and will doing a presentation on costume jewelry. You are invited to bring one (1) piece of jewelry to be appraised during the class. Winnie Budkis will be showing the attendees the beautiful piece of art she made from costume jewelry. This class will get your creative juices flowing.
- E. Who Gets Grandma's Yellow Pie Plate?** Beth Waitrovich is an Extension Educator of Michigan State University Extension where she works in the area of Human Nutrition and Financial and Housing Education. She has certifications in Home Buyer Education and Foreclosure intervention Counseling. She will talk about planning for the distribution of non-titled assets as a part of estate planning. Some may have heard this program before but it has been updated. Beth asks that you bring one (1) small item to the workshop that tells a family story.
- F. Migration of the Monarch Butterfly:** Sue Jamison from Rapid River will be talking and showing a power point presentation about the Migration of the Monarch Butterfly. She was a guest on the show "UP Outdoors" on channel 6, and this will also be part of her presentation. Every June through September a small group of volunteers walks randomly counting eggs and caterpillars. In late fall butterflies roost and they prepare their journey to Mexico. Volunteers net and tag them and even put the sex of the butterfly on the tag. Find out all about butterflies, even how to tell a girl from a boy.

CULTURAL ARTS NEEDED FOR CONVENTION

The Cultural Arts display will be handled differently this year due to lack of a permanent locked room. The Cultural Arts will be displayed in the same room as the Game of Chance and at the same time. So if you have Cultural Arts, please bring them at the set up time for the Game of Chance which is 4:00 in Turtle Room.

VICE PRESIDENT OF EDUCATION

Five District Meetings and 1300+ miles later I can say that the meetings were a great success. The head count was up from 126 attendees in 2015 to 167 paid attendants in 2016. We had both members and guests attend. The morning session which is the one I was responsible for was called "Let's Make Sense of It All". I taught all the participants about our five senses and how each worked. Then after each sense was discussed, a "test" was given to see how well each person's particular sense worked. There was a taste test of 8 foods they had to identify; a test of their hearing to identify sounds; a smell test of eight spices; a bag sewn shut filled with items they could feel but not see and a test of several aspects of our vision. They also learned interesting facts about each sense and that we actually have about 15 other senses that are not so well known. I also tested their knowledge of arthritis with a quiz taken from our newest Hearthfire Challenge. Everyone was encouraged to consider entering a poster on this subject.

This year the District Meetings were held in Mecosta County for East Central District. Their afternoon session was presented by the owner of a quilt shop. Each person there received a kit to quilt their own tissue holder. Following this meeting, President Lorraine and I traveled to Hillsdale County for the Southwest District meeting. We were greeted with a lovely lasagna dinner/potluck and a pleasant stay with a member. The afternoon session for this district included an author who talked about the area history and he was followed by a young lady with a guitar who lead us in a group sing-a-long. Lorraine and I then traveled to Washtenaw County for the Southeast District meeting. We were given nice accommodations at a Holiday Inn Express and then met two members for dinner. The meeting the next day was the largest group. So large, in fact, that they had to change venues at the last minute to handle the crowd. The afternoon session was a program all about being Scottish. After this meeting we went home for a weekend rest.

We were back on the road Tuesday for North Central District meeting in Cheboygan County. We were treated to dinner at a local restaurant and we spent the evening with a long time member. She and her husband challenged us to euchre and we played for a few hours. It was great fun. The afternoon session was provided by a young lady in her late nineties who acted younger than my kids who are in their forties! She talked about her county history and she was delightful! We then headed for Marquette for the Wet U.P. District meeting. Once again we were treated to a delicious potluck and great evening company. The speaker for this meeting was a local policeman who talked about phone scams. After this meeting, we finally headed home.

I also want to give a big thank you to the five members (one from each district) who offered to be on my education committee. I can't do my job without you.

With a state membership of 305, it was great that we got over half our state to attend the Districts. We need interest and participation to make these functions work. Imagine if we could get that kind of participation at our state convention!! Our treasury would be doing great and our enthusiasm would be out of this world! Please remember to participate in the poster and educational displays at convention. Others want to see what you are doing in your counties. Let's keep up the GOOD WORK!

ATTENTION ALUMNI OF MAFCE

If you are attending the state convention, be sure to mark your registration form if you are a dues paying member. Any FCE member who has served in any capacity on the state board at any time during our history may join the Alumni of MAFCE. Dues are \$5 annually and may be paid at the convention to either Edna Bell, the secretary/treasurer or myself, Alumni President. We would love for you to join us.....don't be shy...

Also the Alumni will be conducting installation of officers again this year so please be prepared to participate. Our rehearsal shall take place immediately after the Wednesday evening Game of Chance activity. See you there! Joyce

GUIDELINES FOR EDUCATIONAL DISPLAYS

| All criteria met on poster board | 30 points |
| All criteria met on summary page | 40 points |
| Overall neatness | 10 points |
| Use of color | 5 points |
| Overall "pleasing to the eye" affect of poster | 5 points |
| Spelling, punctuation, etc (since we encourage this in our 4 th grade CC) | 5 points |
| Addition of handouts/pamphlets | 5 points |

2016 MAFCE TUESDAY SEPTEMBER 27th CONVENTION TOUR

The 2016 MAFCE preconvention bus tour will take half the members to the Clare Bedding Factory to see how mattresses and box springs are made and the other half of members will go to the Bonifas Art Center and then we will switch. When everyone is back on the bus there will be an historic homes tour (we will not be exiting the bus) narrated by the Historical Society. After the home tour we will be having a chicken dinner at the Family Inn Restaurant (this is included in the price of the tour). The tour cost is \$42 and you must preregister and pay through your registration form. (Found in this newsletter) Remember tours do have some walking (Clare Bedding). The art center does have seating if you need to take a break. The bus will arrive by the Vasino gift shop entrance at 1:45 and leaves promptly at 2:00. If you are not at the bus stop at 2:00 I am sorry to say the bus will leave without you. We are on a very tight schedule. There are no refunds but you can give your seat to someone else.

EDUCATIONAL DISPLAY

I want to encourage all of you to think about entering displays at convention this fall. These displays will be set up in the Wolf Room. There are three main categories and a Hearthfire Challenge category. You can enter one, two, three, or all four! I have included the guidelines for your convenience.

SOMETHING NEW - SOMETHING NEW - AT THE CASINO - A SPA!

Want some relaxation? Try something new? The Island Casino now has The Drift Spa. They do back, neck, shoulder, and arms or a customized massage. They also have aroma massage therapy. They use stone that is an ancient Native American form of therapy practiced through the ages. They do body scrubs and many services offered for your face, hands and feet. Also provide are manicures and pedicures. All this takes place on the second floor as well as a salon that does makeup and waxing. If you are interested, please call 906-723-2275.

WHAT TO BRING TO THE 2016 MAFCE CONVENTION

- Bring a sweater as the air condition can be cool
- Each Study Group should bring 2 **NEW** items that are worth \$5.00 or more for the Games of Chance
- Note: IF items are used and are not in good condition they will not be placed in the Game of Chance
- \$1.00 if you plan on playing the snoop game
- Your county and districts banner
- Cultural Arts
- Swimsuit
- Cash for Trade Show, 50/50 raffle and the Game of Chance

TUESDAY NIGHT SCOOP GAME

Tuesday night after the tour we will be holding a fun evening of Scoop. It is an easy dice game and everyone wins a prize. If you would like to play, please register on your registration form so we know how many prizes we will need. When entering the room you will be given a paper bag with a prize in it. **Do not open it**, just take a seat and the instructions will be given. The board and committee know how to play the game so if there is a question there will be many to help but if you can add two dice together you can play this game. The game starts at 8:30 in the Turtle Room. Please be on time because it is hard to join in once we get started. The cost to play is \$1.00 at the door and this money will be going into our general fund. Please have a dollar bill so we do not have to make change.

POTAWATOMI INDIAN CULTURE & HERITAGE

During our educational workshop we will be exploring the culture and heritage of the Potawatomi tribe. Earl and Aiesha Meshigaud will present the water ceremony, native songs and ceremonies of their culture. The Potawatomi Indians are one of three tribes making up the Three Fires Confederacy or as it is commonly referred to today as the Three Fires Society. The Three Fires Society consists of the Ojibway, the Ottawa and the Potawatomi tribes. The Ojibway are given the honor of keeping the original teachings alive and passing these teachings down through upcoming generations. The Ottawa's are responsible for the provisions and security of all the tribes attending gatherings. Making sure that everyone has enough to eat and ensuring the attendees that their meeting place is secure from invasion and disruption is their major responsibility. The Potawatomi Indians are responsible for keeping the Sacred Fire alive, as it is the symbol of light and must be kept "alive".

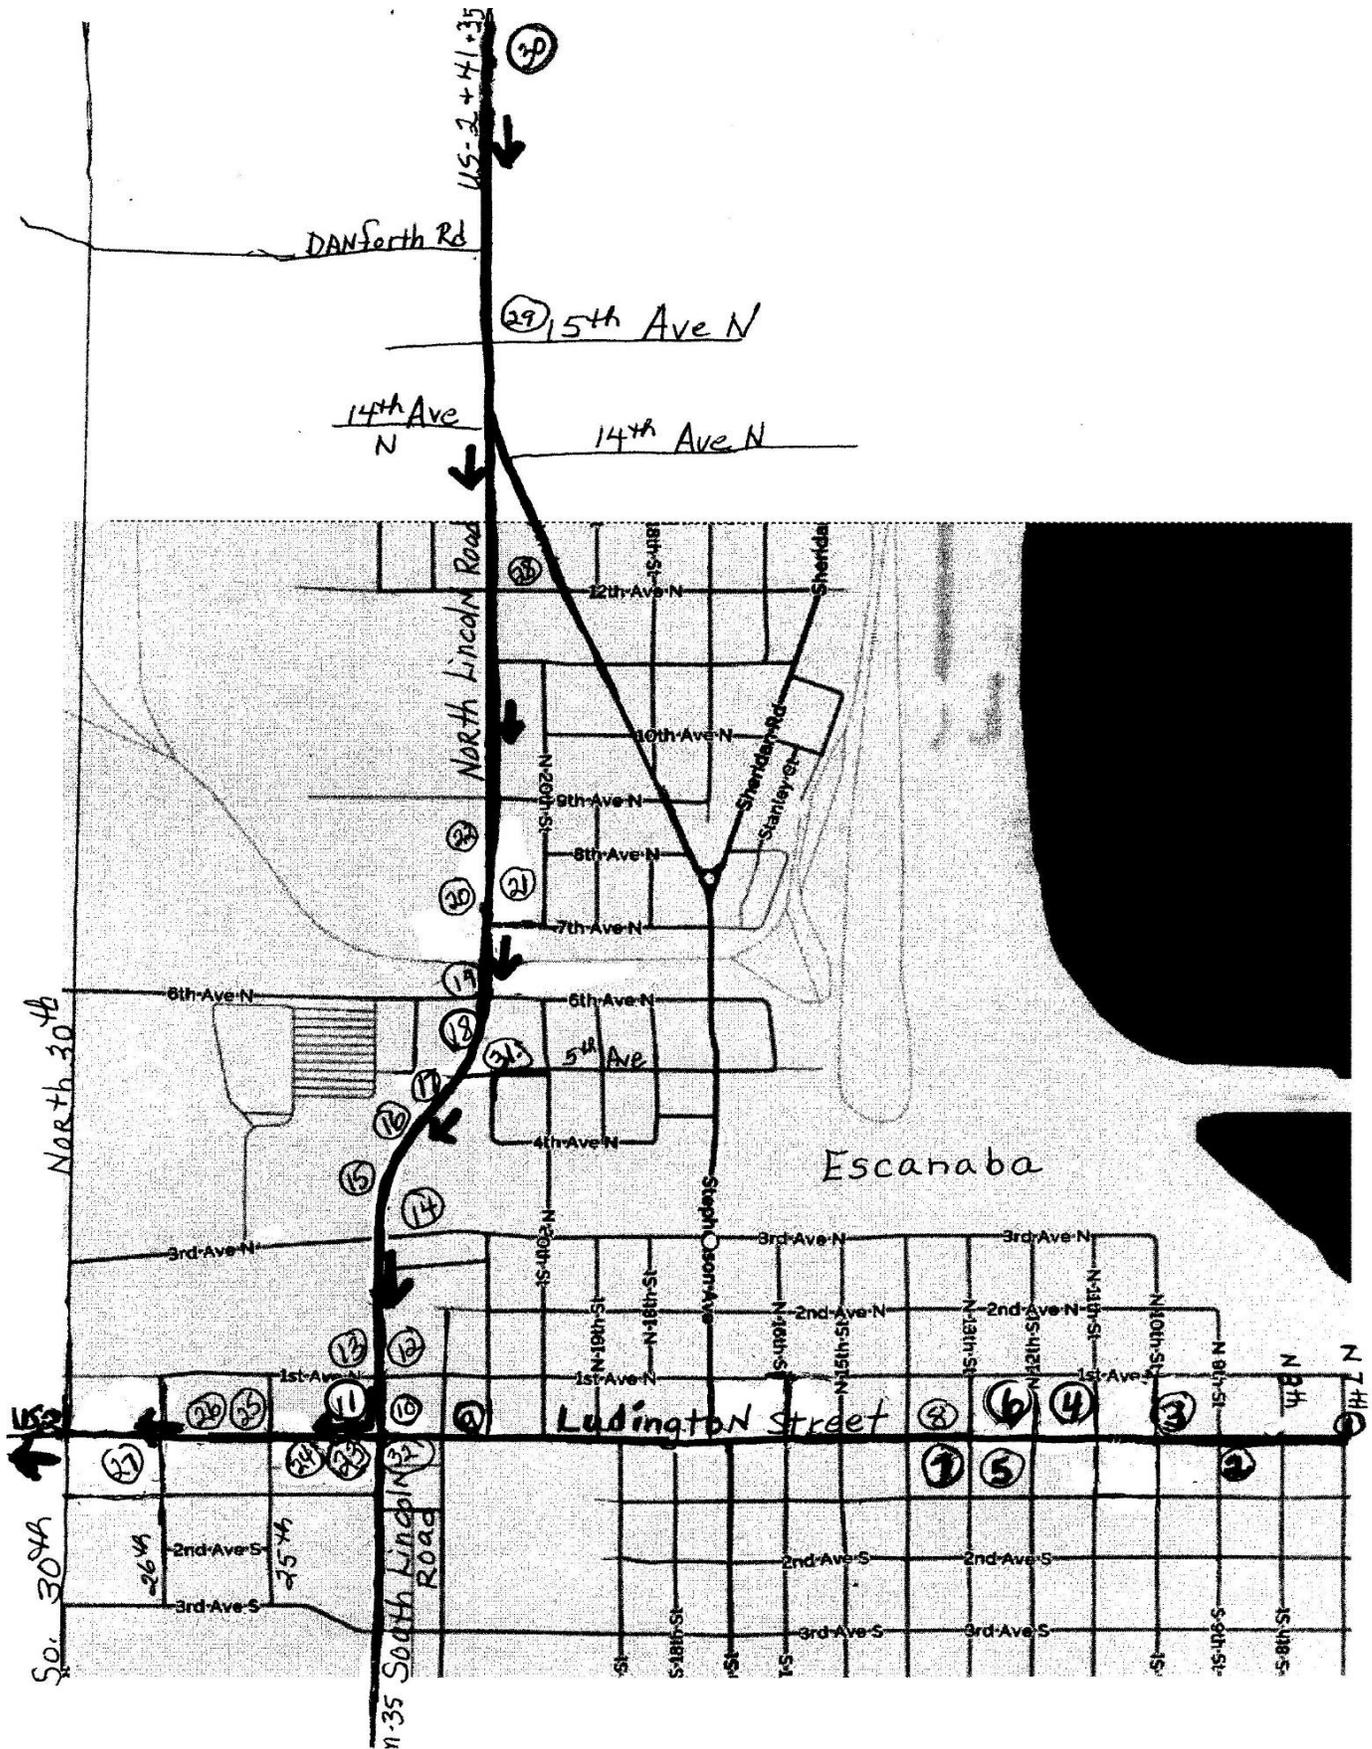

HOSPITALITY ROOM

We hope to have a hospitality room again this year. It will be available to play games or to visit. Times and place will be announced on Thursday.

Directions to the Island Resort and Casino and some Restaurants

Take US-2 across the Upper Peninsula to Escanaba. When you see the mall or Hudson's get in the right lane, turn right onto US-2. You will be going in front of Walgreens. There will be a stop light at this intersection. Go 9.5 miles west. The Casino is on your left. Take the first road to the left into the parking lot and park in front of the hotel sign. The hotel registration desk is to your left as you enter the building. The gift shop is to your right. There is a parking lot in the back that enters the convention center so if you have things to bring to the convention center you can park in the back. Beware that there may be golf carts going across the parking lot! Parking is free. On the map I denoted the restaurants in the Escanaba area. The casino has some restaurants but I thought you may want to try other places why you are in the area. * denotes ones some of committee enjoys

MAFCE VOLUNTEERS NEEDED

It is the MAFCE Presidents job to appoint (with the executive board approval) each year the following: Character Counts chairman, Scholarship Chairman, Editor, Education committee, parliamentarian for convention, Tellers for convention, two International Chairman and a Historian. So if you are interested in any of these positions for 2017, please contact Lorraine and she will keep a list of those who are interested and she will pass it on to the 2017 President. Some are year commitments and some are just one day commitments. If you do not know what the position entails, please call a board member and they would be happy to explain the best they can.

Kathy Couchene

President Elect

WEST UPPER PENINSULA DISTRICT

Marquette County hosted the District Meeting this year on May 12, 2016. There were 13 members in attendance. The morning program was presented by Joyce Weiss and was on the Six Senses. We got to experience the sense of smell, taste, touch, sounds, vision, and colorblindness. Our afternoon program was presented by the Chief of Police of the Chocolay Township. He gave us informative information on some of the present scams that the police have investigated in our area and what we can do to prevent being taken in by some of these scams. Each member received a packet of handmade cards.

DR. JIM SURRELL the Keynote Speaker at 2016 MAFCE Convention

Dr. Jim Surrell is a board-certified colorectal surgeon but he speaks on many subjects and at our 2016 MAFCE convention he will be speaking on Positive Attitude. Dr. Surrell has authored many articles in various medical journals. He is a nationally recognized nutrition and dietary weight loss expert. "Doc" or Jim (as he prefers to be called) has a special interest in helping people make "Healthy Lifestyle Choices". He blends a significant amount of humor into his many talks and speaks frequently about his SOS (Stop Only Sugar) Diet. He also appears frequently on the very popular Northern Michigan University "Ask the Doctors" TV program, and also writes a bi-weekly newspaper column entitled: "talk with the Doc". Jim's favorite quote is "There isn't much humor in medicine, but there is a lot of medicine in humor."

Game of Chance

Once again we will have the Game of Chance for one of our convention activities. Each county is asked to bring two gifts worth at least \$5.00. These items need to be new or handmade. Tickets will be sold at registration and at the event---3 for \$1.00 for 18 for \$5.00. Bring some cash and support our organization.

Hostesses

We are looking for hostesses for the state convention. Hostess responsibilities vary from greeting attendees who are entering the dining room for meals to introducing speakers and workshop presenters. Each assignment will come with instructions and introduction information. This job offers an opportunity to meet FCE members from other clubs and counties. If you would like to volunteer as a hostess, please check the appropriate box on the registration form.

Banners

The opening session of the convention will feature a procession of county and district banners. If your county does not have a banner, now is the time to make one. The procession opens the convention. Bring your banner and plan to gather at 12:45 outside the general session room where you will receive instructions from Nancy Berta, West UP District Director.

Program Sharing

Program Sharing is an important part of our state convention. It gives counties and study clubs an opportunity to share what you have been doing in your local area during the past year. Your presentation should be no longer than 3-5 minutes. If you are willing to share please fill out the Program Sharing Form.

Town and Country FCE of Delta County

Delta County has only one club now but has 20 active members.

At our September meeting we had a presentation from Roberta Johnson on Multiple Sclerosis and how her daughter received a bone marrow transplant that saved her life. Also in September Judith Gereau and Kathy Couchene attended the Convention in Bay City.

In October we held our international dinner presented by Pastor Dale Skogman and his wife Jo, highlighting Argentina and Brazil. The members prepared many dishes from the countries presented, decorations of flags and tea light vases of corn and coffee beans adorned the tables. Door prizes of coffee beans and popcorn were awarded. We also have a 50/50 drawing as a fundraiser.

In November Georgie Safford explained how the Foster Grandparent program got started in our area. Georgie was the person who helped in getting a grant to start the program and still is involved in the program.

December we held our Christmas party/Holiday Tea at the Calvary Lutheran Church in Rapid River. The theme was snow. Kathy Couchene gave a program about snow and we even had a snowball fight (indoors using tissue paper). At this time we bring Christmas gifts for our adopted family. This year's family was a mother, father, 1 girl and 3 boys. Each month we bring them items but at Christmas they get special individual items.

In January Mary Simonsen gave us a demonstration on eating healthy. Mary and Joanne Christoff served us a healthy meal of soup, cornbread and cobbler.

February we had Jerry Maynard from the Raptor Center bring birds and explain the many facts about each bird. This was so interesting that we are bringing them back to our area at the 2016 convention at the Island Resort and Casino as a workshop.

In March we had a presentation by Eric Barnhard from OSF St. Francis about their Hospice program.

In April Shelia C. Marenger and Leslie Hoffmeyer from OSF came to speak on Home Health Care.

In May we held our picnic with short program on pretzels. A pot luck meal was served and the game snoop was played.

In June we held our recognition banquet at the Stone House Restaurant with the theme being "How we can learn from Honeybees". The same day as our recognition banquet we held a plant sale at the Gladstone Farmers market. About 8 members planted seeds in the spring and brought them for the sale.

Throughout the year we donate too many places such as: Walk for Warmth, Welcome Newborns, Water for All and Books for Babes.

Our County participated in the Character Counts program with our winner Erin Dedic placing second in the state contest. We presented the classroom with bookmarks and a pizza party at the end of the school year.

As you see our members are always learning but do take time out to have some fun.

2015 REPORT FROM EATON COUNTY FCE

(omitted from Spring newsletter)

Eaton County has 17 members and one honorary member. This is an increase of three members this year. Two of the new members had been MAFCE members back in the 1990's and left to pursue careers in nursing and in politics. Now retired they have rejoined. The other member is new to our organization.

Monthly meetings:

February – Members planned their 2015 monthly lessons and assigned the months for programs and luncheon duties. Each month a committee is responsible for a lesson or activity and also for preparing lunch for the club.

March – Lesson on “Keepsake Quilting” was presented by new member Mary Jean Baker. She brought many of the quilts she had made using a variety of patterns and materials.

April – Lesson on “The Benefits of a High Fiber Diet” was presented by Petra Swanson and Catie Epling. Not only did they provide important information, but they brought samples of high-fiber foods to enjoy.

May – Lesson on “The Science of Good Cooking” was presented by Mona Ellard. Did you know that most recipes did not call for specific measurements until 100 years ago? For example, recipe instructions stated “put cucumbers in a brine that will float an egg.”

June – The activity this month was “A Summer Outing to Marshall MI.” Members enjoyed the Welcome Center, Honolulu House, lunch on their own at a local restaurant, and shopping on Main Street.

September – Each year Eaton County FCE selects a charity which the club members support. This year it was “Guardian Angels-Suitcases for Kids.” This new nonprofit support children who are removed from a crisis in their homes when parents are not able to safely care for their children. Often they are taken without any personal items and placed into Foster Care. This charity works directly with Foster Care to provide the emergency items needed for the children such as clothing, toys, diapers, and personal care items. FCE was drawn to this charity because it also helps older children who are still in Foster Care when reaching 18 years of age. The children often stay with foster parents until they graduate from high school, but not all children are so lucky. At age 18, the children are transitioned out of Foster Care, and some of them must find a place to live and a job to support themselves. “Guardian Angels-Suitcase for Kids” helps young adults with eating and cooking utensils, linens, small furniture, lamps, and gift cards to assist them in setting up their first apartment. Our FCE members gathered many articles of new and gently-used items that are needed by this nonprofit. After our monthly meeting and luncheon, our members visited this charity's storage building and delivered the many items collected over the past several months.

October – Lesson on “One Room Schools,” a program based on a book that was published by the Eaton County Genealogy Society. Mary Jean Baker, Judy Good, and JoAnne Fogle, who arranged for this program, introduced two gentlemen from the society who told us about the old-time, one-room schools in Eaton County.

November – Lesson on “Connecting to Associated Country Women of the World” was presented by Maida and Myrl Hawley, two of our members who have attended some of the ACWW Conventions.

December – Our annual “Christmas Luncheon and Holiday Party” was held at a restaurant in Dimondale, MI. Before the celebrating began, our members had a planning session for the 2016 monthly meetings which begin next year in March. We voted to drop our February meeting, but we added a monthly meeting during the summer months, totaling nine meetings each year.
