Cycling tips

Share the space

- Be polite and considerate. If someone lets you pass, thank them.
- Bikes are quiet so let people know you are coming – ring your bell, or a friendly "Hello!" often works wonders.
- Take care when passing others, especially children and older or disabled people and allow them plenty of room.

Savvy cycling!

- Improve your bike skills – good observation and correct road positioning will keep you safe. Cycle confidence courses available for adults and children www.cycledevon.info/cycle-training
- Wear a cycle helmet (with a British Standard EN1078) – ensure it is a good fit.
- Use lights at night – front and rear.
- It is illegal to cycle on the footway unless it is specifically marked for cyclists.
- On road, position yourself where you are visible and keep away from the kerb or parked cars.
