FOR IMMEDIATE RELEASE

**PacRep Theatre to host Community Open House  
"The Secrets of the Golden Bough."  
Thursday, April 6: 4-7 PM at the Golden Bough Playhouse**

**Carmel, CA, March 13, 2017– Pacific Repertory Theatre (PacRep) will host The Secrets of the Golden Bough, a Community Day & Open House** at the historic theatre complex. This will be an opportunity for the community, theatre-goers and anyone interested in learning more about the historic Golden Bough, to take a backstage tour and hear about PacRep's future plans for Carmel's most unique performing arts center.

"After a successful stage renovation and safety upgrade to the historic Golden Bough, completed in 2011, we plan to complete our improvements and are kicking off a \$2.7M "Make Your Mark" Capital Campaign to complete the long-planned auditorium and lobby renovations. We already have a \$250,000 Community Challenge to get us started" said Stephen Moorer, Executive Director.

The Community Day & Open House is scheduled for **Thursday, April 6, with hourly presentations from 4 - 7 PM** at the **Golden Bough Playhouse**, Monte Verde between 8<sup>th</sup> & 9<sup>th</sup> in Carmel-by-the-Sea. Light refreshments and entertainment will be provided.

The event will kick off at 4:00 PM with a brief welcome in the lobby followed by a tour of the theatre and behind-the-scenes areas such as the backstage control booths, the dressing rooms and costume department, and the popular Circle Theatre. Tour guests will go behind the scenes to see how the "theatre magic" comes together, including costumes, sets, make-up and props. Combining these many unique talents is the way PacRep productions come to life, and the company wants to share these stories with the Community. The tour will end with some surprise entertainment on the main stage. Tours will repeat at the top of each hour (4pm, 5pm & 6pm) but guests should feel free to drop in at any time.

PacRep is supported by ticket sales, individual donations, special events, and grants from The David and Lucile Packard Foundation, Monterey Peninsula Foundation, The Berkshire Foundation, The Shubert Foundation, The S.T.A.R. Foundation, The Nancy Buck Ransom Foundation, The Chapman Foundation, and the Harden Foundation, among many others.
