

2018 Junior Program

June 25 – July 26 Monday through Thursday (Friday, rain date) Full Season = 5 weeks

PEE WEES (old enough to hold a racquet - Age 7) 12:30 – 1:00 p.m. Price: \$30 per week or \$120 for Full Season

This is where it all begins! At this crucial stage, it HAS to be fun. Because if it is not fun, they won't play! Basic tennis skills as well as the physical/athletic movements of the sport are introduced in a positive, fun-filled atmosphere. Pee Wees will use elements of the USTA's Quick Start Program as part of their introduction to tennis.

SUPERSTARS (Ages 7-10) 1:00 – 2:00 pm Price: \$60 per week or \$240 for Full Season

For juniors who still need basic instruction, this program offers greater challenge that is consistent with physical development but maintains the strong emphasis on fun. Players are prepared for the next stage—competition—gradually and with the focus primarily on the skills necessary to compete. Quick Start will be used when appropriate.

PRE-TEAM (Ages 10-14) 1:00 – 2:00 pm Price: \$60.00 per week or \$240 for Full Season

This program is for players that qualify for the team but could use more skill building before being comfortable in a competitive setting. This group runs concurrent with Super Stars but is subject to change according to numbers. A special clinic for a small group at a pre-arranged time is also possible. The goal is to transition to the team at some point.

TENNIS TEAM (Ages 10-16) 2 – 3:30 pm* Price: \$80 per week or \$350 for Full Season

To qualify for this level, players should possess enough skills to rally, play games and sets. The team will practice, drill and play intra/inter club matches within a positive, instructional setting. Although competition is a key element to this program, emphasis here is still on skill development, strategy and participation. Building confidence and enjoyment of the game are also primary objectives. Although we encourage Team Members to play inter-club matches (they are great fun) participation is not mandatory, and a clinic will always be available at GTC during this time.

*Some Fridays have matches scheduled - expect to carpool to other clubs. Match times will vary.
