QUALITY ALERT

A&P Alloys

Notice of suspect material

Sikorsky Aircraft has recently been made aware that A&P Alloys, Inc. (West Bridgewater, Mass.) has provided one of the UTC divisions with conflicting certification documents calling into question the pedigree of material. As a result Sikorsky is requesting your immediate assistance.

If you or any of your sub-tier suppliers have procured and/or received material from A&P alloys which have been shipped to Senior Aerospace Connecticut, please provide detailed information including shipping instructions and heat lot number(s) which will assist in our review and investigation. In addition do not ship any parts or material provided by A&P Alloys.

Senior Aerospace Connecticut requires a response to this email to ensure compliance with Sikorsky Aircraft Supply Chain Management.

Thank You in advance for your attention. Please contact the undersigned if you have any questions or concerns.

Very truly yours

Senior Aerospace Connecticut
