

Sikorsky Aircraft

Supplier Quality Alert

Date: 7/25/2017

Supplier Quality Alert: 260

Attention: Quality Managers, Sikorsky Quality Assurance Representatives, Contract Quality Representatives, and Designated Quality Representatives

Subject: Protech Metal Finishing has been removed from the Approved Source List

Issue/concern:

Protech Metal Finishing (SP897) has been removed from the Sikorsky Approved Source List (ASL) effective immediately.

Required action: Please review your company's records to determine whether your company has ever utilized Protech Metal Finishing in any capacity for Sikorsky parts.

Please contact your subtier suppliers and find out if they have ever utilized Protech Metal Finishing in any capacity for Sikorsky parts.

If so, please notify Sikorsky Quality department by emailing asl_help.gr-sik@lmco.com with the following information:

- Part numbers affected
- Serial numbers affected (if serialized)
- Delivery dates
- Statement of work performed at Protech Metal Finishing

Best Regards,

Robert Helfrich
Director of Supplier Quality Assurance
