How can we deal with all organizational risks effectively and efficiently?

How can we speak with one voice when there are so many voices in the boardroom?

How can we do a good job of organizational monitoring?

How can we effectively manage the values and desires of our owners?

In short, how can we conceptualize, organize and fulfill our mandate to govern?

Join governance expert, Stacy Sjogren, Out of the Woods Consulting, to learn how your board can improve its performance and add unique value to your organization by utilizing a Policy Governance approach to the board's governance process.

Whether your organization is large or small, functioning well and ready to take it to the next level or in complete disarray, you will find answers to your challenges and a strategy for increased board effectiveness.
