

Sumner Rugby Football Club

500 CLUB SPONSOR

Help support your local community rugby club so that we may strive to succeed and provide the best possible rugby experience for all...

The Sumner Rugby Football club has been an integral part of the local community since 1887

SRFC is seeking \$500 (or more) donation/s from families, individuals or businesses.

For the 2017 season the club has erected a 500 CLUB SPONSOR board within the clubrooms, and in gratitude of their generosity, donor's names will be added to the board for the 2017 season. The names remain on the board for one season, and donor's have the option to contribute \$500 annually to retain their name on the board.

Running a club is a costly exercise, and this exclusive 500 CLUB SPONSOR Board allows those in our community to contribute that can.

500 CLUB membership includes:

- A complimentary beer or wine on arrival at every home game
- Sponsors day hospitality package at SRFC – Date TBC
- Use of the clubrooms free of charge for private functions or meetings
- Name/business name on club website directory (optional)
- 2 x tickets to end of season function and prizegiving

To add your name on the board in 2017 then please make your donation via EFTPOS or Cash payment at the Bar on your next visit to the Club.

Alternatively, for those out of town, please email us here:

admin@sumnerrugby.co.nz

Thank you for helping us grow the club, and provide the best possible local community and rugby environment for all.

“No one has ever become poor by giving” - Anne Frank
