JUDGE

Dr. Laura Kuterbach #96663, 1082 Treasure Lake, Dubois, PA

GENERAL INFORMATION

See below for start times for the ring, running order and class counts. Class counts are subject to change due to move-ups not yet received. Please note that judging will begin at 8am all three days.

Height divisions will run TALL to SMALL all three days. A and B or Master/Excellent, Regular entries and Preferred entries will run concurrently in all height divisions.

There is still a waiting list for Saturday and Sunday. If you pull from any runs before 6pm June 12th (Monday) you will be refunded 100% of your entry fee as long as we have runs on the waiting list to replace them. If the wait list has cleared, then refunds will only be issued for the situations outlined in the premium.

MEASURING:

There will be at least one Volunteer Measuring Official (VMO) each day at our trials. All dogs without a valid permanent height card must be measured. Come to the score table and we will assist you with getting your dog measured. It is the exhibitor's responsibility to assure that necessary measurements are obtained.

CHECK-IN:

Self check-in will start at 7:15 a.m. each day. REMINDER: Armband stickers are no longer required. At check in you can pick up course maps. At the ring gate before your class, you will check your dog in to let the gate person know you are present.

NEED HELP? (especially Novice A Exhibitors)

Do you have questions about showing or the facility? If so, we have "seasoned" agility exhibitors who are willing to help you. Contact the trial secretary or stop by the score table if you have questions.

MOVE-UPS:

The deadline for move-ups in advance of the trial is 6 p.m., Monday, June 12th, 2017.. No move ups for Friday's event will be accepted after Monday at 6pm. After Monday's deadline, move ups for Saturday and Sunday may be requested day-to-day (see instructions below).

All move-up requests must be in writing. E-mail is acceptable for advance move-ups only; please include the dog's call name, your first and last name, days and the class to which you are moving up. If I don't send you an email back within 24 hours, send your move up again.

Day-to-day move-up forms will be available at the secretary's table up to the completion of judging and results posting on Friday/Saturday for the next day's trial. Overnight move-ups will not be accepted via e-mail during the trial weekend.

EXHIBITOR SET-UPS:

There is no exhibitor setup on Thursday evening. The building will open at 7:00 AM Friday, Saturday & Sunday. It will close Friday/Saturday night as soon as everything is set up for the next day's trial.

Crating areas will be marked off; please respect any off-limits areas. All crates and ex-pens MUST be on solid, waterproof protective material. If you can't find a place to crate, then come to the score table. We will find a CRATING CONCIERGE to assist you.

Due to the space constraints, we would like to ask that you not bring unentered dogs UNLESS they can be crated in the car, or you can stack crates. Thank you for your cooperation.

CONCESSION

No food will be available for purchase. There are restaurants nearby.

Food is available onsite for workers. We will also have a worker raffle each day and supply you with lunch, snacks and drinks! Email Samantha Parsons at samanthaparsons23@yahoo.com.

You are permitted to bring cakes, cookies, snacks, etc. to celebrate a MACH, PACH.,etc. Those bringing cakes must provide all plates and utensils needed, and it must be cleaned up promptly.

VOLUNTEER WORKERS

The worker schedule for the trial on the board near the score table the morning of the trial. Volunteer Coordinators Susan Crank and Samantha Parsons still has plenty of worker spots available so stop by and volunteer. Lunch and raffle tickets will be given to those who volunteer. Check in at the worker board near the score table for your assignment OR to volunteer.

If you were given a worker slot in the Random Draw, the expectation is you will work 2 classes per day. Failure to do so can result in your entry not being considered for worker status in future trials.

CRATING

Crating space is limited. For this reason, and to be fair to exhibitors who are not showing every day, NO SPACE MAY BE SAVED. Mats must have crates on them and be in use. Do not allow your mat to extend beyond your crates. Expect crates to be butted up against each other. No chairs will be allowed in the crating area, and you may be asked to consolidate your space. X-pens must have at least two large dogs in them. If you need help with crate space, come to the score table and we will get a CRATING CONCIERGE to assist you.

Dogs that lunge, excessively bark, or threaten people/dogs should not be crated in high traffic areas. If your dogs guard your car then park in a remote corner of the parking lot. We may ask people to move their set up or their car if their dogs are being a nuisance to others.

CONFLICTS

Please inform the gate steward during your walk thru (before your class starts) if you may have a potential conflict. We cannot be responsible for a missed run if the gate steward has not been informed. Be creative. You can move up or down within your jump height or to a jump height before yours but not to a jump height after your class walks and runs. **Do not ask the judges to run at the top of the jump height after yours.** (Note: if multiple jump heights walk at the same time (i.e. all of Novice Standard) then moving between jump heights is fine with the judge's permission. Not moving to a jump height after yours is referring to classes with multiple walk thrus (Excellent/Master standard and Jumpers with weaves.)

FACILITY RULES

- Use only designated potty areas.
- NO Smoking inside the building.
- NO bitches in season permitted.
- Crates, personal property can be left overnight. But there is no overnight security on site.
- No flash photography or light for video cameras permitted.
- **If there is a problem with anything at the facility please speak to the Trial Coordinator (Helen Kurz) about it.**
