

Beautiful Oops!

“It’s Fine to Make Mistakes!”
Making Accidental Art

In this 6 week series, children will make art inspired by the book, *Beautiful Oops!*, by Barney Saltzberg. This is a book that shows how art can be made accidentally from torn paper or a coffee stain! An Art Therapist will demonstrate how there are no mistakes in art! Children will participate and explore sensory-based activities. They will be guided through a multi-sensory art making experience while supporting their individual social, language and learning goals. This program is for children 6-8 years old.
