

Home Comforts

Home Comforts is now, by demand, adding a toiletries pack to its cleaning pack.

The following items are required for the Toiletries Pack:

Pack contents are as listed but the various local churches represented are concentrating on specific items.

New St Andrew's will be collecting as follows:

September : Shower gel
October : Face cloth
November : Toothpaste
December : Soap

Please put any donations in the box in the Hall on Sundays - as packs are made up here, transporting goods is not a problem.

Food Bank

New St Andrew's will no longer be providing a collection point for foodstuffs as there are now trolleys in the main food stores for collection of goods for the Food Bank.

The Food Bank is always very appreciative of donations so please continue to support it by using the trolleys.

THANK YOU
