# Missis-Sipping You're Invited!

Here's your chance to sample the exciting variety of choice beers offered by local craft breweries. Craft beer is a true reflection of the brewmaster's creativity. It's pretty amazing how a handful of simple, natural ingredients can lead to so many different taste experiences. Tap into something interesting and find your new favourite!

*Cheers!*

# Missis-Sipping

*Generations Inn*, a picturesque restaurant and patio, B&B and venue for gatherings. Conveniently located on the banks of the Mississippi, just minutes off of HWY 7 near Carleton Place, our excellent chefs prepare a wide variety of fine dishes, both "Inn" house and for your next catering event!
