SPONSORSHIP

2017-18

MESSAGES FROM...

*"It has been my privilege to be not only a part of the theatre team, but part of a very special family. It is such a blessing that our parents, staff, school and community support shows. Every year the theatre staff taught us valuable lessons, respect for the craft and respect for the theatre."
Jacob - Class of 2017*

*"Theatre has made me who I am today and will not stop changing me until I take my final bow. Theatre has brought me to the decision of what I want to do for the rest of my life and for that I am very grateful."
Hailey - Class of 2017*

*"What some people see as just a school activity, I see as my calling in life. A valuable part of my identity that I'd be lost without. When I'm on stage, I know exactly who I am and that I can be extraordinary. Theatre has undoubtedly changed my life for the better. This emotional journey has not always been easy, but it's been worth it."
Elise - Class of 2017*
