ABOUT SPRING BREAK PORTUGAL

Spring Break Portugal is a 5 day and night holiday festival. Part holiday, part festival it boasts the perfect combination of rest and relaxation with all the best parties to offer. Now in its third year, it has grown into one of Europe's biggest Spring Break getaway, attracting hundreds of people from all over the world.

Located in the town of Albufeira - the heart of the Algarve; the southern region of Portugal, perfect for sun, sea and party.

Join us for another memorable fun filled year full of laughter, games, music and party.

THE PERFECT LOCATION

ALBUFEIRA - ALGARVE, PORTUGAL

BY CHARLES REBELO
FELICIANO

Deep down in the south of Portugal, lies an amazing town. A town known as the birth place of Spring Break Portugal. A town colourful and vibrant unlike any other. A town packed with fun and emotion. A town small in size but grand at heart; that amazing town is non-other than 'Albufeira'!

Located along the southern Portuguese coastline in the beautiful 'Algarve' region, it is easily one of Portugal's most iconic locations harbouring warm sunny weather, mesmerising azure seas and golden sandy beaches. The perfect spot for any holiday seeker in search of paradise on earth.

"25 beaches to choose from? Now that's being spoilt for choice!"

Albufeira's supersized coastline notches up no less than 25 different beaches. Each beach unique with golden sands and secret coves, making it the ideal place for picture snapping moments.

At the bottom of the strip is Praia d'Oura, a 5-kilometre, Blue Flag-winning beach made for watersports fans. Further east is Praia da Falesia, which is sheltered by ochre cliffs. And that's only scratching the surface.

The old town, meanwhile, is home to Praia dos Pescadores, otherwise known as Fisherman's Beach, where family-friendly sunbathing is supplemented by great dining options.

Albufeira is riddled with amazing dining options catering to most dietary needs. You may be upset knowing that Nandos doesn't actually exist in Portugal; but then would you really go to Italy expecting to find a Dominos Pizza? No, that's absurd! (shame on you if you do!)

"Portuguese dining isn't just Peri-Peri Chicken!"

Try authentic Portuguese cuisine with restaurants serving fantastic traditional dishes ranging from fresh caught seafood to tender meat filled dishes, topping it all off with a mix of sweet puff pastry. Plus food is an inexpensive luxury in Portugal (as you'll soon find out) with restaurants serving amazing food at super-affordable prices.

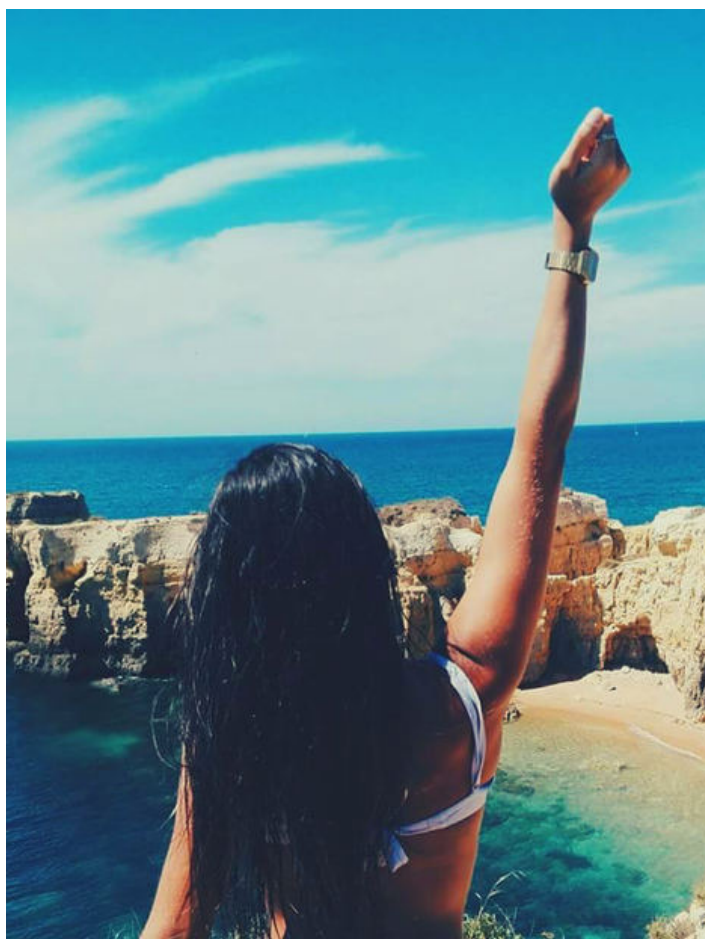

For the less adventurous, there are great Italian pizzerias, sushi parlours and Anglo-Irish pubs serving customary dishes. Plus you can find fast food chains such as McDonalds, Pizza Hut and KFC (not that I advise it!).

The Algarve region sees fantastic weather all year round with summers exalting highs of 30°C and the springtime lingering anywhere between 20-30°C. The days are long and the nights are endless. There's loads to do!

"Zoo Marine one of the best aqua theme parks in Europe"

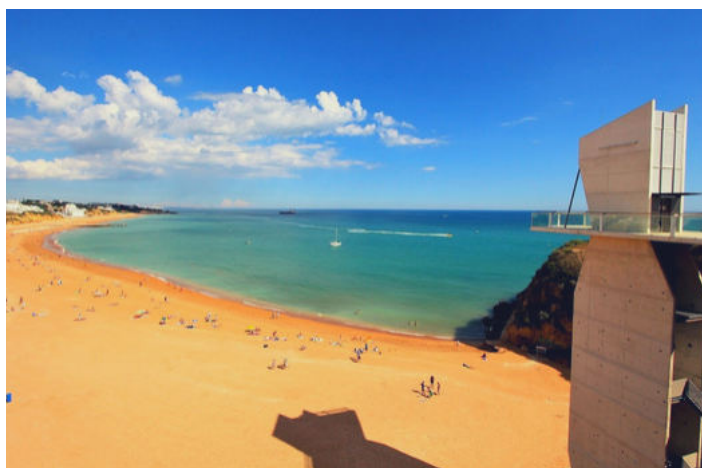

Visit any of the the great amazing water parks with fun filled water slides open throughout the Algarve. Additionally, thrill seekers can go Go-karting, jetsking, paragliding and much, much more. Alternatively, just lounge at one of the many bars and bask in the sun with a cold beer or sangria in the 'Old Town'.

The Old Town - a lovely tourist location during the day, turns into a local hot spot at night.

At night the freaks come to play! Albufeira nightlife is second-to-none. A vibrant and electrifying place with bars littered full of people enjoying the warm long nights, pumping music and the constant flow of fancy cocktails - usually till 6am in the morning!

Visit the infamous Avenida Dr. Francisco Sà Carneiro, better known as the 'Oura strip'. A street full of bars and clubs. Here is where the town of Albufeira comes to life, with amazing venues, cheap drinks, dope music and unforgettable nights. Here lies the home of Spring Break Portugal!

IT WAS ABSOLUTELY EPIC
