## **Enjoy Life with Trinity Leisure Products**

Our craftsmen have designed and manufactured products loyal to the timeless art of quality furniture design and construction. Using both the age-old art of hand forming and the latest in high-tech manufacturing processes, Trinity Leisure remains committed to creating products that will provide years of enjoyment.

Trinity Leisure's trademark for excellence in the Patio Furniture designs begins with the purest aluminum extrusions and our patio furniture is constructed using only the highest grade, and most resilient rattan available that strengthen the furniture and make it extremely malleable. The end result is a fusion of durability and beauty that places Trinity Leisure Patio Furniture in a league of its own.

Our "All Season" Wicker is constructed using cutting edge synthetic fibers, hand woven over an aluminum frame. With this combination of resilient, weather-resistant materials and our quality workmanship, so our wicker will last for years. We use only pure virgin high grade P.E. Rattan materials.

Trinity Leisure furniture is available in a large selection of finishes and fabrics to fit any style or setting, and also offers a wide variety of umbrellas and other accessory pieces that are sure to enhance any outdoor living space. These elements set Trinity Leisure furniture apart from all others and when you purchase through us, you purchase a history of quality and excellence, and furniture that will last well into the future. For more information and styles to view, please visit [www.trinityinc.ca](http://www.trinityinc.ca)

The furniture is completely weatherproof, thanks to Thermacoat, an ultra-modern thermal coating that provides maximum protection from corrosion and damage. Thermacoat protects the furniture with a special polymer and aluminum coating that is many times more effective than standard powder coating. The furniture is therefore very easy to care for, has a smooth surface and is pleasant to the touch. Depending on the degree of use, we recommend you treat components with care products twice a year.

### **Warranty:**

The 5 year rust-through warranty guarantees the high quality of your Trinity Leisure furniture.
