Christmas Traditions Around The World!

It's the most wonderful time of year. For a few weeks every year, the world celebrates the most magical time of the year. Whether you're celebrating a religious festival, like Hanukkah or Christmas, or another occasion, you're sure to have your own traditions that make it special. Some of the traditions around the world include:

Philippines: The Giant Lantern Festival is held each year on the Saturday before Christmas Eve.

Sweden: On December 1st every year they build a 13 metre-tall Yule Goat to celebrate Advent.

Austria: A beast-like demon creature roams the street frightening kids and punishing the bad ones. His name: Krampus

Norway: Strange but true, people in Norway hide their brooms Christmas Eve. Dating back centuries people believed witches and evil spirits came out on Christmas Eve looking for brooms to ride on and the people didn't want to lose their brooms.
