To Whom It May Concern;

William Kerr has worked at the El Encanto Hotel and Garden Villas since August 1993. As Chef de Cuisine, William's responsibilities are broad and cover many areas. He is capable of attaining high levels of productivity without sacrificing quality, and performs his duties with the highest degree of detail. William is thought of very highly by other staff members who admire his creativity as well as his ability to make sound decisions. He has a great sense for organization and getting the job done.

We've had close and regular contact throughout this period, and our contact was without exception positive and amiable. William provides the necessary dedication and reliability that has been instrumental in the success that the El Encanto has experienced over the past four years.

You would be most fortunate to have such a fine individual as William. He is truly an asset to this organization. I can recommend him without reservation.

Please feel free to contact me if you have any questions.

Sincerely,

  
Demos Petropoulos  
Dining Room Manager & Maitre D'
