

Schema Therapy Summary of Workshop Dates 2017

Schema Therapy Workshops Ltd is a specialist provider of all levels of schema therapy training and is pleased to present this summary of our planned dates in 2017. You will be able to find registration/application details on our website pages. Our workshops are designed to either introduce you to the model, or to help you deepen your understanding and to build upon previous trainings and strengthen your skills. Our workshops are approved by the International Society of Schema Therapy (ISST) and can be attended as 'stand-alone' workshops or as part of our various certification programmes leading to accreditation as a schema therapist. **To date, over 45 mental health professionals have achieved eligibility for ISST-accreditation as a schema therapist through our training programmes.**
