

	<p>Continued</p> <p>Please give specific details of the following:</p>
1	<p>Access to personality disordered clients, or clients with significant PD features. Access to clients who are appropriate for schema mode work due to complication, chronicity, failure to respond to treatment or relapse.</p>
2	<p>The length of time you would be able to work with your personality disordered clients and other clients as part of the certification programme? It is essential that you are able to provide longer-term treatments to clients (minimum of 12 months)</p>
3	<p>Any schema therapy training and/or supervision you have already received (if any).</p>
4	<p>The Certification/Accreditation Programme process requires that your supervisor and external rater(s) have access to recorded sessions with your clients. Is this acceptable, and has it been agreed by your workplace/employer? This is an essential element of training!</p>
5	<p>Academic training: You must hold at least a bachelor's degree.</p>
6	<p>Accreditation for clinical practice: you must be accredited with one of the following regulatory bodies, allowing you to provide one-to-one individual therapy:</p> <ol style="list-style-type: none"> 1. BABCP (Full accreditation is required) 2. BACP (at least individual counsellor/psychotherapist accreditation is required) 3. Psychologists are not required to belong to the BABCP or BACP but must be eligible for chartered membership of the BPS and must belong to the HCPC. <p>Applicants not holding accredited membership to one of the above bodies may still be eligible to join an ISST-approved training programme if they hold a core qualification in mental health. Please see our website for more details. Please give all details including dates and membership numbers:</p>
7	<p>ISST regulations stipulate that you must complete the certification/accreditation process within 3 years (extensions can be applied for to the ISST in extenuating circumstances) after completing the workshop element of the programme. Can you commit to this?</p>
8	<p>Your current work as a mental health professional and how schema therapy might be useful. Please limit this to about 150 words.</p>
9	<p>Anything else that you wish to include here.</p>
