

URGENT MESSAGE FROM INDIVISIBLE

Republicans are worried about the protests at town hall meetings. They want to pass a healthcare replacement bill quickly, in secret, to prevent people from organizing to fight. This week, House Republicans plan to rush the ACA repeal through two committees with only hours to review the bill. Demand that Members of Congress vote on healthcare in the light of day with **facts** on the cost and impact of the new health care plan. **Two things to do:**

- 1) **Contact Indivisible and sign up for emergency telephone meeting tomorrow night at 8pm to get more information. Go to <https://www.indivisibleguide.com/> and register on the website.**
- 2) **Contact your congressperson and tell them we want to see the healthcare plan before they vote. Remind them: This is America, not Russia. Follow the democratic process for passing federal laws.**
