Awareness Team 2

Religious Affairs: Provide an educational program that interprets the work of the Association. **Health:** Work to protect, promote, and maintain the health of African Americans. **Education:** Study local educational conditions affecting minority groups and promote parental involvement in education

Young Adults: Encourage participation of young adults in activities and leadership within the Branch.

Economic Development: Implement local efforts to preserve and expand economic empowerment among African-Americans and other communities of color

Connections

College Chapter: Maintain connections with the branches at VT & RU

Youth Works: Coordinate programs of the Branch and Youth Units

Civil Rights/Social Justice Team 3

Criminal Justice: Maintain positive, working relationships with jail officials. Seek to eliminate harsh and unfair sentencing practices responsible for mass incarceration & racial disparities in prison systems

Legal Redress: Investigate all cases reported to it and supervise all litigation in which the unit is interested

Labor & Industry: Work to eliminate discriminatory employment practices and improve the economic status of minority groups **Housing:** Provide information & assist in ways which may eliminate housing discrimination

Political Action: Seek to increase registration and voting

Veterans/Armed Services: Serve as a center of information on matters affecting Active Military, Reserves, Veterans and State National Guard

Fundraising & Financial Stability Team 4

Finance: Study the financial needs of the Unit and be responsible for drafting an adequate annual budget

Fundraising: Plan and conduct fundraising activities, entertainment and other projects.
