Participating in this annual cleanup is a great way to be of service to both AA and our community! This event is held before the Hickory Run Big Book Campout in order to ready Camp Daddy Allen's campsite.

Past volunteer duties have included: raking leaves, pulling weeds, trimming shrubs, painting buildings/porches, creating signs, cleanup of building interiors. No experience? We don't care! We will find a job for you, don't worry!

Can't make it to Cleanup but still want to get involved in the July Campout? Check out WWW.HICKORYRUNCAMPOUT.COM for more info, or call Sarah B. We ALWAYS need volunteers for planning and during the Campout.
