

***Welcome to Questions support***

***Oh, Here you with questions.***

***You have just entered in Samrat's World, We are here before to serve***

## **FAQ**

### **What is Samrat investments?**

Samrat Investments is a positive loss Investments Company aims to empower economy& reach your profit beyond expectations by innovating the way of finance, banking, as well as investments.

Positive Loss: (Zone where you don't need to worry about loss, your minimum profit will be 6%- guarantees, so would you like to enter in this zone)

### **Why we need to start this company/ initiative among hundreds of banks or finance company?**

We have been living in the culture where most people are forced to invest money rather than creating environment& awareness where people invest to grow money/ wealth or to create other source of assets. People have to suffer because of their status in different banks. Lack of profit, innovations in economy which is lagging the nations behind.

### **What motivate us to work to grow your profit?**

We understand the blood, sweat, tears& commitment it takes to run a business& to earn a penny. Your success is our success too. We dream a better life for every child who breathes every now.

How it works?

### **Clients/ Investors/ Funding:**

You need to get account offline or online depends on locality. Offline is possible where our support team exists, otherwise online. After applying verify your account by submitting photo, ID proof, Address proof scan. Get your C ID (say account no or customer ID). Choose your plan. Start investing& growing. Profit is all yours as we expect to grow always if you help us/ support us. Your profit is proportional to growth of company. Contact support for more.

**Employee:**

You need to get account offline or online depends on modes of interview or position. After applying verify your account by submitting photo, ID proof, Address proof scan. Get your E ID (say Employee ID).

Now, work is your freedom, grow company as you can to help others in growing their assets and yours too. Contact support for more.

**What is minimum and maximum period of investments?**

You will have to secure money for minimum 2 years for any kind of accounts. Maximum depends on your choice, we suggest 20-30 years, next 50-70 years for next generation heirs.

**What is the minimum or maximum amount to invest?**

It depends on locality, plan and salary. In piggy valley plan you can start with Rs 10.

Rs. 5000 in rural areas or annual salary below Rs. 200000, Rs 10000 in urban areas or salary above Rs 200000 for other saving accounts. If you want to fix your money then it depends on your choice and term& conditions.

***Have a great time ahead***

Thanks a ton!
