2. Campers may not be dropped off earlier than 7:15am and must be picked up no later than 1:30pm.
3. Campers must be physically and emotionally able to follow the directions of camp staff at all times. Failure to follow directions will result in the removal of the camper to ensure the safety of other campers.
4. Please bring a sack lunch. Campers must bring their own lunch and beverages. (Bottled water will be supplied by camp.) We will have a late morning snack break and a noon lunch break.
5. Campers must come dressed to ride. Boots are mandatory and must have a smooth sole and low heel. (Under no circumstances will campers be allowed to participate in sneakers or sandals.) Due to the heat, campers may bring shorts to change into later in the day, however long pants are required at all times while riding.
6. ATSM approved riding helmets must be worn at all times while on horseback. Helmets will be provided by It's A Cinch Horsemanship, LLC, though campers are encouraged to bring their own riding helmets if they have them.
7. It's A Cinch Horsemanship, LLC is not responsible for any lost or stolen items.
8. Completed registration and deposit must be returned for each camper in order to reserve your spot, including medical release, photo release and release of liability signed by camper's legal guardian. Incomplete registration will not be accepted.
9. Campers will be grouped according to skill level during mounted activities for safety reasons. For campers attending multiple sessions, skills are cumulative and will increase with camper's ability. **Note: Fall horse camp is meant to be a fun entry into or addition to a riding program. You will not be an expert rider after a week of camp as it will not take place of regular lessons and practice sessions, the same as any other sport or activity. Our number one goal is the safety of our campers and the safety and continued welfare of our lesson horses.**
