Classic Racing Times Vintage Racing Fantasy Camp

Pocono Raceway, August 17-19, 2018

BRODHEADSVILLE, Pa., May 18, 2018-- The Classic Racing Times along with Pocono Raceway and the Monroe Career & Technical Institute have developed a new program titled “CRT Vintage Racing Fantasy Camp,” offering both students and adults an exciting hands-on opportunity to be a part of the 2018 “Vintage Celebration at Pocono Raceway” this August.

Upwards of 100 students and faculty from MCTI have expressed interest in the program which will also be available to the general public. Each program participant will be able to join a vintage racing team or shadow a CRT official during the weekend of the ABC Supply 500 Verizon Indycar Series event at Pocono August 17-18-19.

Participants will attend a trackside safety meeting along with an educational private tour of the vintage paddock area where they will be able to select the team they wish to join. Each program participant will each receive a pit paddock pass, an official CRT cap and event tee shirt, the opportunity to meet both vintage and current Indycar drivers, a commemorative dash plaque and decal, a CRT Vintage Camp group photo, a certificate of completion as an official team member and.

MCTI’s Machine Trades instructor Jim Granahan has been instrumental in the development of the program. “The kids have real interest in this,” Granahan said. “They really like the idea of getting out in the world and seeing how their individual trades training really matters. We have interest from not only my kids in machining, but from auto shop, body shop, electronics right on down the list. This will be a great experience for everyone involved, including the faculty!”

Pocono Raceway CEO Nick Igdalsky is also excited about the program. “Anything we can do to get kids involved in racing is a plus for the whole sport. We support education and welcome this to our event.”

Classic Racing Times founder Gary Mondschein noted that “long-term successes starts with actions taken today. The CRT Vintage Racing Fantasy Camp is part of our continuing effort to educate today’s youth on the history of technological gains through auto racing.”

Marketing partnerships and sponsorship opportunities with the CRT Vintage Racing Fantasy Camp are available. For more information and for camp registration please visit www.TheClassicRacingTimes.com or call (570) 656-5962.

Pocono Raceway is located along Route 115 in Long Pond, Pennsylvania, and is host to two NASCAR Monster Energy Cup Series races each year along with the annual ABC Supply 500 race for the Verizon Indycar Series. The Monroe Career & Technical Institute is located in Bartonsville, Pennsylvania, and is a leader in innovative workforce development for business and industry through student centered education and training.
