President's Message

The position of President had not been filled at the time of the Foundation meeting on April 6th so I was very happy to be nominated and approved for this position at the Executive meeting on April 13th. I am delighted to be part of a really enthusiastic Management team which is working swiftly to make sure this new PROBUS Club of Clarington gets off to a great start. A Club's success is largely due to the members and their support for all the activities that are arranged. Our goal as a Club is to enrich the lives of members during their retirement/semi-retirement years by establishing a wide variety of interest groups and social events.

I have been a resident of Courtice for 26 years and have strong ties to the community. My husband and I operate a small business out of Courtice. I have undertaken a number of volunteer positions within the community, including Chair of Bowmanville Hospital and Vice-Chair of Lakeridge Health. I have also chaired several school councils. I am hopeful that my experience will be beneficial to our Club. Please do not hesitate to contact me if you have any questions or concerns regarding our Club and I will be only too happy to help.

We all look forward to a fun filled year ahead and a wonderful opportunity to make new acquaintances.

Victoria Girling

Our next meeting is May 4th at 10 a.m. at the Salvation Army Community Church Hall, 75 Liberty St. S. in Bowmanville

Our Guest Speaker is Jennifer Baron of Covanta
