President's Message

Finally, is it safe to say that the good weather is here to stay? There is always so much happening as summer approaches and we can get outside. Some of it is pleasure and some of it is work as we plant our gardens. Hopefully you will find time to participate in the activities the Club members are planning over the summer. Anyone who wishes to start an interest group just has to contact John Muzik and he will help get you going. The more you join the more people you will meet. We also have some social events planned and hope to see many of you at these. As I left our May General Meeting I realised that I had not signed up for anything since I had been too busy trying to speak to as many of you as possible. I have now rectified this and am looking forward to several events over the next few weeks.

We had a wonderful turnout for our May meeting. 80 of our 119 Charter members learned a great deal about the incineration of our household waste from our guest speaker, Jennifer Baron of Covanta. On June 1st we are looking forward to hearing from Ann Harley from the Gift of Art. Also, at this meeting we are hoping to be presented with our Certificate of Accreditation from Jim Murray, President of the PROBUS Club of Oshawa. I encourage you to tell your friends about our Club since we have space for more members and it is all about having fun and meeting people with similar interests.

My thanks go to all the members of the Management Committee who have been working hard to ensure our Club is busy and running well. Next month we aim to have our photos in the Newsletter so that we can be easily identified. Remember to visit our website so that you can keep up to date with events as they are planned.

Hope to see you on June 1st.

Victoria Girling

**Our next meeting is June 1st at 10 a.m. at the Salvation
Army Community Church Hall, 75 Liberty St. S. in
Bowmanville**

Our Guest Speaker is Ann Harley from Gift of Art
