

PROBUS Clarington Presents:

CAR RALLY

Join us on a fun driving adventure - **October 23**

Don't know what a Car Rally is? A car rally is a type of scavenger or treasure hunt, where participants, working in teams, drive around answering questions and solving puzzles. Our 'Adventure Car Rally' will have you touring Durham's scenic countryside visiting historic sites, farms, and public green-spaces to answer questions and complete activities for points. Your team can win some great prizes. There will be prizes for highest score, best 'team theme', oldest car, and so much more. This is an **un-timed** Car Rally. As long as you finish within the time limit, you will be eligible to win great prizes. Come prepared to have a whole lot of fun and discover new places.

NB. We will NOT be providing MARRIAGE COUNSELLING after this event!

START TIME: 10am @
