Their authentic costumes, vocal collaboration and stage performance exude an extraordinary re-creation of the magic and excitement of ABBA.

NIGHT FEVER is the ultimate tribute to the Bee Gees. This show takes you back to the sound and the look of one of the greatest Pop Bands in history, The Bee Gees. For five decades – a time span more than any other group in pop history – the Bee Gees outwitted the international music scene with their incredible tenacity to remain current through all the eras of contemporary music. It's an all-around amazing show that captures the sound and look of the Bee Gees.

Night Fever performs all the Bee Gees hits including: "Night Fever", "Jive Talking", "How Deep is Your Love", "You Should Be Dancing", and "Staying Alive".
