Hello Neighbor. The Dallas Regional Group of the Early Ford V-8 Club of America, wishes to invite you and your family to the 45th Annual Texas Tour in Tyler, Texas. With 44 years of great Texas Tours behind us, we hope to make this one as good as all the others.

The fun will start Thursday April 5^h with registration from 1:00pm to 4:00pm. Registration will open again Friday from 9:00am to 5:00pm. After registration, there is plenty of time to enjoy your choice of self guided tours: the Azalea Festival is held during this period, the Goodman-LeGrand House and Museum is open for touring, the Kiepersol Distillery and Winery is open to tours and much more. Friday evening will give everyone a chance to renew old friendships with a welcome party complete with hamburgers and an ice cream social. Saturday will include a driving tour thru the local scenery and around Lake Palestine to our lunch destination. The American Freedom Museum located on the campus of the Brook Hill School offers a great lunch locale where you can enjoy a box lunch, and vote on your favorite V-8's. We hope there is time for each of you to take in the museum, one of the best privately owned collections of American history. Saturday evening will be the Awards Banquet at the Host Hotel with some fantastic food and great entertainment. There will also be several great raffle items to choose from, including a Ford V8 stained glass sign. We are looking forward to hosting the 2018 Texas Tour, and showing everyone a good time in Tyler, Texas. Hope to see you there. Folks who register on or before December 31, 2017 will be eligible for a drawing to have their Hotel bill paid.
