610 Hurley Blvd SW
Palm Bay, FL 32908

Good Morning,

I am a member and volunteer at Port Malabar Rifle and Pistol Club (<http://www.pmrpc.com/>) in Palm Bay, Fl. We are planning our 2nd Annual Range & Safety Expo for our 3800+ membership on Saturday December 16, 2017. We are anticipating attendance to be around 1000-1400. Last year turnout was around 700. We had a blast; we shot over 28K rounds.

Check out the Event website for Pictures and Video from the day. <http://pmrpc-range-safety-expo.com/>

We are currently in the planning phase; we know for sure we will be doing demonstrations and opportunities to shoot different action sports offered at our range, from 3 Gun, Skeet, High Power Rifle on our 600 yard range, free sample bags from sponsors, guest speakers and hands on workshops.

We are looking for vendors to setup or sponsor range day for Demonstrations or to setup in the vendor area to showcase and sell their products. We are seeking out special guest shooters, special guest speakers, and vendors to teach workshops offer door prizes and items for our "Swag bags". (Coupons or flyers about your service/product/company, SWAG items (bumper stickers, Pens, Stress balls and keychains, etc.).

We are also looking for sponsors for golf cart, T-shirt's for the members who will be acting as staff for the event, plastic bags for setting up our free swag hand-outs also ammo and targets

Your involvement would not be limited to the above list as we are open to any and all ideas you may have. Our goal is to provide an awesome day of celebrating our Second Amendment for our members and their guests. Expose our members and guests to new opportunities in firearm sports and new products and services available in the firearms market. Provide an entertaining, educational and safe day in a friendly and family oriented environment.

I am looking forward to hearing from you. If this event is something you or your company would like to participate with, please call or email me anytime.

Best Regards,

Connie Jo Torres
