

## Cross on our Logo

Our cross is that of the 'Broken Cross' a symbol for the world that Christ body was offered up for this broken world. He suffered and died as man on that wood only to rise as the Son of Man – God.

Also, if we remember St. Peter did not want to be crucified as Christ was and asked to be crucified upside down.

St. Teresa and John Paul II were very close. We have taken the Broken Cross and added the Blue Stripes, the symbol of Mother Teresa's habit.
