

Entrepreneurship & Technology Symposium

September 22, 2016

7:00 PM

The Entrepreneurship & Technology Symposium will showcase 6 local companies that have put Cincinnati on the map with their innovative forward thinking work.

We are seeking sponsors for the event. All sponsorships are tax deductible and payable to Fix N' Give, a nonprofit organization. Fix N' Give collects donated technologies (e.g. computers, printers, educational programs), optimizes and fixes them to working condition and directs them back to schools and students who can benefit. Your generous donation will help purchase necessary parts and process donated technology.

As a sponsor, we will feature you in our event booklet. We expect the event to be well attended by local entrepreneurs, local area high school students and their parents, as well as college students.

Any level of Sponsorship will be greatly appreciated for an Honorable Mention:
