## Viride offers Eminence Organic Skin Care & PCA Peels

Eminence Organic Skin Care uses the finest natural, organic & Biodynamic® ingredients to provide you with the best organic skin care products in the market today. Eminence has obtained over 100 awards for their innovative skin care products.

PCA SKIN® is the leader in chemical peels with more than 25 years formulating the best & most innovative professional treatments in the industry. Challenging concerns for all skin types are improved with perfected formulas, reducing signs of fine lines, wrinkles, scarring, dark spots, & clearing breakouts.

ELISABETH N. LE

Lead Esthetician

Elisabeth will provide her expertise & knowledge to customize your facial & treatment tailored to your specific needs.

A skin care analysis & consultation is provided at your session to address all of your concerns & goals. Using our Award winning Organic Skincare line by Eminence® we devise custom facials tailored to address the needs of your skin. When arriving to your scheduled appointment; please have knowledge of your current facial products & skin care regimen.

## CUSTOMIZED FACIAL PRICES

30min • \$45    60min • \$90    90min • \$115

Facial sessions include a cleanse, exfoliation, toner, extractions, treatment masque/s, serum, moisturizer, sun protection & relaxing massage to face, neck & décolleté.

### ANTI-AGING

Rebuild & renew your skin. Apple stem cells reconstruct & regenerate by increasing elasticity. Increase collagen production to strengthen with visibly fewer lines wrinkles. Best for mature aging skin & deep wrinkles Pairs well with LED red light therapy,

### HYDRATE & REPLENISH

Nourishing intense hydration to re-balance, correct & restore dry, flaky skin with a lackluster complexion. Lipids create a moisture barrier & hyaluronic acid attracts & retains moisture to keep skin soft & supple.

### CLARIFYING & PURIFYING/ACNE

Acne isn't "one size fits all." The cause of acne can stem from hormonal changes, stress, sports, excessive oil production, & bacteria. Promote a healthy complexion, reduce breakouts, regulate oil production & heal irritated skin.

Recommended add on: LED blue light therapy,

### CALM & BALANCE

Bring healing therapy to fatigued skin, reduce redness, & repair skin to its natural healthy state. Calm, cool & soothe sensitive, blotchy, irritated, or rosacea prone skin.

### BRIGHTENING

Lighten discoloration & even skin tone. Impart radiance & reduce inflammation. Pairs well with with Yam & Pumpkin Enzyme peel, or AHA Fruit Pulp Treatment.

## REFINE & FIRM

Resurface dull skin, shrink pores & reveal a more youthful complexion. Rich moisturizers feed tired skin, boost resiliency & bring back the skin's structure to optimal health.

Recommended add on treatment: Dermafile.

## BROWS & LASHES

### BROW LAMINATION

\$65 | 45min \$80 | 60min with

Tint \$90 | 60min with Tint & Full Shape

Brow lamination is an amazing solution & a great alternative to invasive microblading.

Lamination gives your brows a set uniform shape with an illusion of bolder, fuller, thicker brows for about 6-8 weeks.

### EYELASH LIFT & TINT

\$85 | 60min

The Lash Lift is a semi-permanent gentle treatment that curls your lashes upward creating fullness without the need of extensions. The eyelash tint adds extra oomph by creating depth, dimension & fullness. A single treatment can last 6-8 weeks depending on your lash growth cycle.

Eyebrow Tweeze & Wax     \$25 | 30min

Eyebrow Tint & Shape     \$35 | 30min

## WAX SERVICES

Chin                         \$15

Lip                           \$15

Eyebrows                 \$20

Lip & Eyebrows         \$33

Full Face                  \$48

## TREATMENTS & PEELS

### EMINENCE PEELS

#### ARCTIC BERRY BRIGHTENING PEPTIDE \$90

This natural enzyme peel reduces the appearance of pigmentation, fine lines, redness from dehydration, & sun damage.

#### AHA FRUIT PULP TREATMENT \$60

Nourish, Tone, Brighten

Fruit pulp from apples & grapes nourish, tone, brighten & refine the look of your skin. Achieve a radiant looking complexion & reduce the visible signs of aging.

### PCA PEELS

Improve challenging skin concerns with perfected formulas by increasing the skin's cell turnover rate, bringing new skin cells to the surface, reducing signs of fine lines, wrinkles, dark spots & clearing breakouts..

#### ULTRA PEEL I \$120

Improve the appearance of fine lines & wrinkles, while promoting an even skin tone & clear complexion.

#### 4% PURE RETINOL \$125

.For skin in need of rejuvenation, this retinoid peel smooths, brightens, & evens skin tone through increased cell turnover & peeling without irritation.

#### SENSI PEEL \$90

This gentle peel will improve surface texture & brighten the skin while helping to promote an even skin tone.

## OXYGENATING TRIO \$80

This antioxidant therapy supports skin metabolism. This treatment leaves skin purified, glowing & radiant.

## HYDROQUINONE WITH RESORCINOL \$150

This enhanced formula peel helps promote an even skin tone & a clear complexion.

## HYDROQUINONE FREE PEEL \$140

Rejuvenate & improve the appearance of breakout-prone skin, while promoting an even, bright skin tone. Ideal for more sensitive skin types, ethnic skin, or those sensitive to hydroquinone.

## ADVANCED TREATMENTS

CELLUMA LED LIGHT THERAPY • 20min \$40

MYO LIFT MICROCURRENT • 20min \$50

DERMAFILE • \$25

DERMAPLANE Exfoliating Facial 60min • \$85

REGENERATE NANO FACIAL 90MIN | \$140

Best Facial Ever. Award winning skincare technology to deliver instant results. Rezenerate is a safe, pain free, non-invasive alternative to micro needling. No puncturing of the skin & no down time is required to receive the benefits of healthier, younger, tighter, glowing, & flawless skin.
