MOAS Show: Our show is only 12 days away. I hope everyone is looking at your orchids and deciding which ones to take to our exhibit. Remember any member can enter an orchid, or orchids in our exhibit. All you need is a blooming orchid with a tag. Even if the plant has only 1 bloom please bring it. We will assist you with filling out the entry tag. Over the years I have watched most if not all of you purchasing orchids at shows and at our June picnic. So let's see those orchids at this show.

Remember since we are a small society we will need everyone to help especially on Saturday morning for the judging. It takes 100% participation to have a successful orchid show. Looking forward to working with everyone.
