From the President's Pen

This month's meeting is especially important because we will be making final plans and work assignments for our show the following week. If for some reason you really cannot make the meeting, please email Joe to let him know which hours you will be able to work the show. Send me the list of plants you hope will be available for our exhibit. There is a form attached to this email I hope you can use to send your list to me. If you cannot use the form, please insert a similar table for your information.

I have also included a piece Glen Ladnier put together outlining responsibilities of clerks who will assist judges as they work on Saturday morning. Please look it over carefully so you understand the expectations our judges will have for members who are assisting them. We are such a small society, we really will need you to help with this if you are able.

We will have Show and Tell and Silent Auction if you have plants available.

The two documents Pat mentions in the above will be sent in a separate email due to size limitations.

Below is a picture of the MAOS exhibit at this year's Gulf Coast Orchid Society 2017 Show.

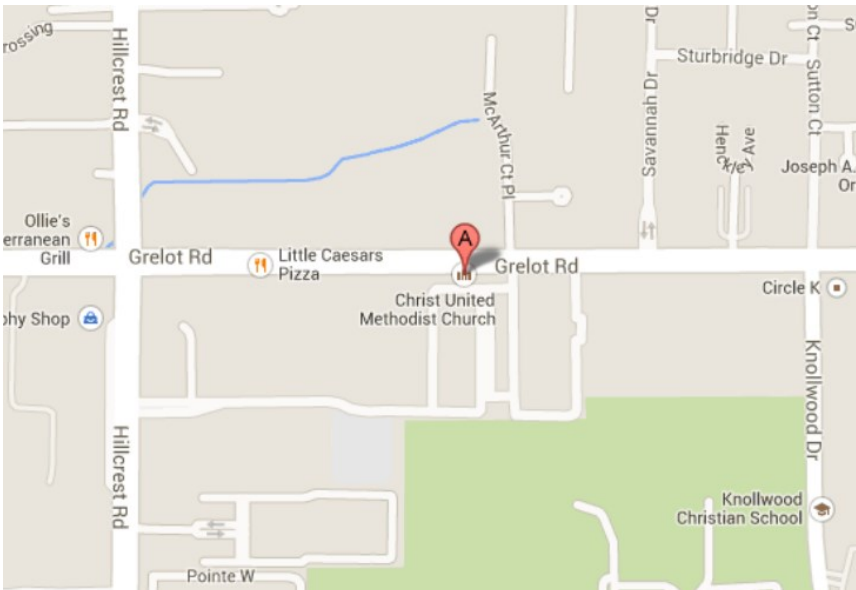

Don't forget to send me pictures of your orchids or favorite article for our website and newsletter.

Church Room A201 directly behind the Sanctuary. You may be able to enter the building at the end opposite the Sanctuary. This is where Beverly and I entered last time we were here in room A204.
