

Resolution 007

A Resolution to extend the Pryzbyla weeknight hours

Sponsored by: Senator Brianna Howard

Co-sponsored by: Senator Robert Sabbagh

Whereas,

On Sunday nights, when the Mullen Library is open until 11:30 PM, students can only work in each other's rooms until 12 AM.

Whereas,

Students may work in residence hall lounges until 2 AM every night of the week, the lounges are not always suitable for academic work as they are also socially geared places and the atmosphere in them solely depends on who is occupying them at any given time.

Whereas,

The Pryzbyla offers a centralized location and many different study environments for students to complete their class work.

Be it enacted that,

The Student Government Association Senate acting in their official capacity as representatives of the student body of The Catholic University of America hereby request that the Pryzbyla Center extend its hours for student studying purposes until 2am on academic weeknights (Sunday-Thursday).

Agreed to by a vote of ____ yeas to ____ nays on this date: _____ with _____ abstaining and _____ not present.
