

Resolution 012
The Addition of Power Outlet Charging Stations in Murphy's Lounge
Sponsored by: Chairman Andrew Elder
Co-Sponsored by: Chairwoman Brianna Howard

Whereas,

The creation of Murphy's Lounge has been beneficial for all students together, study, and mingle throughout the hours which it is open.

Whereas,

Murphy's Lounge has been extremely successful, but lacks enough power outlets for students to charge their electronic devices, who are not in booths or located near one of the very few available outlets.

Whereas,

The addition of electronic charging stations in Murphy's Lounge will alleviate the student body's stress of no place to charge their multiple devices/

Be it enacted that,

The Catholic University of America Student Government Senate, to provide more feasible and easy access for charging in Murphy's Lounge, hereby requests the installation of electronic charging stations, for student devices, inside the student lounge.
