

Resolution 017
A Resolution Requesting the Creation of a Website/Service for Required
Films
Sponsored by Senator Nicholas Procino

Whereas,

The University provides students with a single copy of a movie, for the entire class, which cannot be removed from McMahan Hall,

Whereas,

The University professors require the watching a film for a homework assignment which cannot always be found online without cost,

Whereas,

The students take on a cost burden to watch the required homework assignment, and can only rent a film for a short period, leading to the inability to complete a future assignment on the same film because their privileges have ceased,

Be it enacted that,

The Student Government Association, acting as a representative of students at The Catholic University of America, hereby requests that the University creates a service to allow students of the University to borrow movies from McMahan and/or watch required movies, for educational use, through a university paid website.
