**Whereas,**

The Busch School of Business and Economics has implemented a Major Mentor Program.

**Whereas,**

The Politics Department is rolling out a mentoring program this semester spearheaded by students who are overseen by a designated faculty member.

**Whereas,**

First Year Students in addition to students of other academic years enrolling at The Catholic University of America can benefit from guidance and advice germane to their respective area of study.

**Whereas,**

An opportunity to make connections and gain valuable experience from connecting with their peers in their specific area of study would benefit Catholic University students.

**Whereas,**

A sustainable mentoring program in each academic department would encourage dialogue and create a sense of community in that area of study.

**Whereas,**

A voluntary mentoring program in each academic department that does not already have a program in place would provide a much-needed service to the students of The Catholic University of America.

*Be it enacted that,*

The Student Government Association Senate, acting in its official capacity as the representatives of the undergraduate student body of The Catholic University of America, hereby requests that Academic Departments at Catholic University consider implementing mentoring programs for students in each academic discipline.

Agreed to by a vote of \_\_\_\_\_ yeas to \_\_\_\_\_ nays on this date: \_\_\_\_\_ with \_\_\_\_\_ abstaining and \_\_\_\_\_ not present.
