

The Henrico County **Mobile Library Service** is coming soon!

We come to you.

Our new service brings the book collection right inside your facility. So you can stay dry during bad weather — and no more bus stairs!

We bring what you want.

Books, audiobooks, movies and more — our collection is well thought-out and tailored to you, curated with each stop in mind.

We give you more time to browse.

At most of our stops, the Mobile Service will now stay for a full hour — giving you more time to find books and materials you want.

We take requests.

Don't see what you want? Just ask! Place your requests in person, by phone, via email or online. And we'll still place holds for you as needed.

We do more than loans.

In the coming months, we'll be working to bring entertaining and educational programs to your Senior Facility — stay tuned!
