#### VOLUNTEERS!

In the past year, over 100 different people volunteered to serve the Lord at Ridge Top Bible Camp in various ways. It was a lot of hard work, but God blessed and much has been accomplished. We are praising God and thanking everyone who has helped.

A youth group from Illinois, raised money, and then came and built the 9 square in the air game, the Ga Ga ball game, the carpet ball game, and the 4 square game. They also worked on many other projects.

A pastor from PA delivered the precut materials for 14 bunks that their church had donated. One of their members came later and helped put some of them together.

Many local people donated many hours to paint, put the septic system in, cook, clean, mow, clear brush, help with the youth camps and events, do electrical, plumbing, install laminate countertops, make copies, weed eat, make a sign, remove the old sign and put up a new one, help with the website, dig water lines, strip and wax floors, etc, etc, etc!

We appreciate volunteers! We pray God's richest blessings on all who have helped in any way!!

Ridge Top Bible Camp is looking for churches, Christian organizations, and individuals to become members of the fellowship of RTBC. If you are interested, please contact Bill Bennett.
