

Fantail Syndicate Homework Guide

- **Reading by** your child each night. This may be a school reader, poem or library book and you may wish to get books from the Orewa Library to supplement these.
Sometimes your child may bring a book home they have seen before but they will still benefit by reading it and discussing the text. The teacher may have a different teaching focus for this text.
- **Reading to** your child. This is still very important even if your child is able to read fluently. You may wish to include books relating to our class topic study.
- **Basic sight words and maths facts** may be sent home where appropriate.
