G5

The G5 machine is similar to a high intense lymphatic massage; it works on breaking down fatty deposits, cellulite and dispersing this with excess fluid through the lymphatic areas. This process allows inch loss and detox affects, as well as improvement in skin elasticity, collagen flow and blood circulation. Cellulite oil can be used to improve results and help to provide toning and firming of the skin.

Single 30 minute session £20.00

6 x 30 minute sessions £100.00

10 x 30 minute sessions £170.00

Body Polish

A full body exfoliation to rid the skin of dead skin cells leaving a smooth, brightened and radiant skin. Superb monthly treatment to maintain skin health and especially beneficial as a single pre-holiday treatment to prevent peeling after sunbathing and prolonging your well earned tan.

£25.00
